

# HARDIN COUNTY FOCUS

Judge/Executive  
Harry L. Berry

April 2012

## Hardin County is Working For You!

Our State and County Governments have planned for a busy summer paving roads throughout Hardin County in line with our county's mission:

*To maximize all available resources to provide well-planned, adequately resourced, and professionally executed public programs, infrastructure, and services to the citizens of Hardin County.*

### STATE ROAD SYSTEM

Recently Patty Dunaway, Chief Engineer for the Kentucky Transportation's local district office updated our Fiscal Court about their local Rural and Secondary Road Program here in Hardin County. They have allocated \$2,102,974 to our county for the following projects:

- **Routine maintenance** allocated \$780,600 throughout the county
- **Beacon Creek Road**  
3.915 miles of resurfacing from KY 1904 to KY 222
- **Bethlehem Academy Road**  
1.581 miles of resurfacing from KY 253 to KY 86
- **New Salem Road**  
5.5 miles of resurfacing from KY 220 to KY 333
- **Grandview Church Road**  
4.932 miles of resurfacing from KY 2213 to KY 86
- **Valley Creek Road**  
1.972 miles of resurfacing from KY 567 to KY 210

### COUNTY ROAD SYSTEM

Along with the State Roads, our County Road Crew currently plans to resurface portions of the following roads:

- **Tunnell Hill Road**  
0.635 miles
- **Tabb Road**  
1.633miles
- **Nacke Pike Road**  
1.704 miles
- **Pickerell Lane**  
1.418 miles
- **Meadowview Lane**  
0.480 miles
- **Cedar Drive**  
0.437 miles
- **Knightwood Lane**  
0.161 miles
- **Underlook Lane**  
0.335 miles
- **Bent Creek Drive**  
0.393 miles
- **Autumn Way**  
0.310 miles

Your county could add four additional roads for resurfacing depending on the escalating cost of asphalt. The cost has increased 99.2% since March of 2005 and is unpredictable.

We also plan to replace the **Wimp Lane Bridge** this summer.

### IMPORTANT APRIL DATES

Household  
Hazardous Waste  
Prescription Drug  
Disposal Day

**Saturday  
April 21, 2012  
8 a.m. to 2 p.m.**
