

**HARDIN COUNTY FISCAL COURT
HARDIN COUNTY, KENTUCKY
RESOLUTION NO. 2012-170**

**RADCLIFF CITY COUNCIL
RADCLIFF, KENTUCKY
RESOLUTION NO. 2012-007**

**A JOINT RESOLUTION OF COOPERATION BETWEEN
THE FISCAL COURT OF HARDIN COUNTY, KENTUCKY AND
THE CITY COUNCIL OF THE CITY OF RADCLIFF, KENTUCKY
REGARDING THE AREA SOLID WASTE MANAGEMENT PLAN**

WHEREAS, KRS Chapter 224 requires counties to establish an Area Solid Waste Management Plan and to update their plan every 5 Years; and

WHEREAS, Hardin County Government has prepared the 2013-2017 Area Solid Waste Management Plan 5-Year Update; and

WHEREAS, Hardin County and Radcliff City Governments desire to cooperate in making fiscally sound decisions, both short term and long term, for all citizens concerned;

BE IT RESOLVED, by Hardin County Fiscal Court and Radcliff City Council:

In future Solid Waste Management Plan updates the Mayor of Radcliff will be involved in selecting representation to the Advisory Committee.

Hardin County Government affirms no county ordinance exists, and there is no intention to enact a county ordinance, restricting the City of Radcliff's ability to control the collection of waste within the city's jurisdiction; so long as requirements for universal collection are met and the waste collected is disposed of in accordance with the Area Solid Waste Management Plan 5-Year Update.

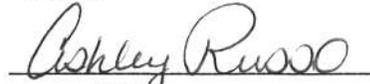

Radcliff City Government commits to requiring by ordinance that all solid waste generated within the boundaries of the City of Radcliff be disposed of in the county owned landfill, for the duration of the 2013-2017 Solid Waste Management Plan update period and the duration of the next franchise agreement(s) for the city, whichever concludes later. This requirement will also be included within the City of Radcliff's franchise agreement(s).

Hardin County and Radcliff City Governments will strive to improve communication and coordination of solid waste management issues and concerns, and will work to improve cooperation in the development and preparation of future updates to the Area Solid Waste Management Plan.
