ATTEST:

Hardin County Clerk

August 28, 2014

To whom it may concern,

I am submitting my formal resignation from the Hardin County Animal Control due to resuming school at Western Kentucky University this fall. I feel extremely blessed to have had the opportunity to work at the animal shelter again this summer. Not only have I learned many valuable skills during my employment, I have also made some dear friends along the way. All of the staff went out of their way to teach me and help me each and every day. I am especially grateful to Mr. Foley for providing me the chance to work here for a second summer in a row. I only hope that I have fulfilled, if not surpassed, all expectations that the employees at the shelter had set for me.

The Hardin County Animal Shelter has become a "home away from home" for me. I have found immense fulfillment and joy throughout the three years I have been involved with the shelter. I look forward to the future possibilities of working/volunteering with HCAC again and plan to continue staying actively involved with any shelter activities that my school schedule will allow. Overall, it has been a great experience and I am leaving with nothing respect and gratitude for everyone at the Hardin County Animal Control.

Sincerely,

Emily Churchman
