

**HARDIN COUNTY FISCAL COURT  
RESOLUTION NO. 2014-156**

**BE IT RESOLVED**, upon recommendation of Judge/Executive Harry L. Berry, to approve a grant application to the Division of Emergency Management for the FY 2015 Search and Rescue Aid Program.

**BE IT FURTHER RESOLVED**, to authorize the County Judge/Executive to sign all documents concerning this grant, so as to expedite the grant process.

**ADOPTED**, by the Hardin County Fiscal Court in its regular meeting on 28 October 2014.

Harry L. Berry  
Hardin County Judge/Executive

ATTEST:

Kenneth L. Tabb  
Hardin County Clerk

# FY 15 SEARCH & RESCUE AID PROGRAM

## APPLICATION

State Fiscal Year July 1, 2014 – June 30, 2015

Kentucky Emergency Management  
Administrative Branch  
State EOC  
100 Minuteman Parkway  
Frankfort, KY 40601

## FY July 1, 2014 – June 30, 2015 (FY15)

### Search and Rescue Aid Program Announcement

#### Request for Applications

The Division of Emergency Management (KYEM) is pleased to announce the Request for Application period for the Commonwealth of Kentucky – FY 15 Search and Rescue Aid Program. The total amount available for distribution under this grant is estimated at \$80,000 statewide.

The purpose of the Rescue Aid Program is to (1) Reduce and prevent the loss of life by creating a better equipped, trained, and coordinated rescue force throughout the Commonwealth; (2) Upgrade the capabilities of local rescue squads by providing financial assistance to be used to purchase equipment and obtain training; (3) Encourage the development of rescue squads where none exist. These funds will be allocated by the Division of Emergency Management through this competitive grant process. For additional information squads should refer to the FY 15 Rescue Aid Program Guidance.

#### Key Application Dates

Application period opens: September 8, 2014

Grant Development Webinar: September 15, 2014

Applications due to the KYEM Area Offices: October 8, 2014

KYEM Area Office review period: October 9 – October 29, 2014

SAR Rescue Aid Committee Meeting to Assess Applications: November 6, 2014

Award notification and briefings: Week of November 17, 2014

Contracting and scope of work execution: December 1 – April 1

\*dates are subject to change.

#### Qualifying Programs

Qualifying Rescue Squads must meet the following criteria to submit an application:

- Comply with KRS 39F.120 (1-13)
- Submit quarterly reports to KyEM within required time frame
- Shall have written bylaws and SOP's. A current copy of the bylaws and SOP's must be filed with the Regional Office of each squad.
- Have a vehicle dedicated solely to rescue service (unless waived by statute).
- Have a minimum of twelve (12) persons identified by name as active members of the rescue squad (these members are separate from fire service members for squads operating in conjunction with a fire division). Rescue squad members cannot be counted for more than one squad.
- Conduct a formal training program that consists of not less than two (2) hours of formal rescue training per month.
- Be formally affiliated with the local disaster and emergency services organization
- Shall maintain a full complement of **required minimum** equipment appropriate to the type of rescue to be undertaken as stated in their mission statement

Kentucky Revised Statute: Chapter 39F Search and Rescue

<http://www.lrc.ky.gov/KRS/039F00/CHAPTER.HTM>

Kentucky Administrative Regulations: Title 106

<http://www.lrc.ky.gov/kar/TITLE106.HTM>

**Kentucky Emergency Management**  
**FY 2015**  
**July 1, 2014 – June 30, 2015 Search and Rescue Aid Program**  
***Terms and Conditions***

1. Funds awarded for the FY 15 KYEM Search and Rescue Aid Program will be advanced to the grantee. The rescue squad shall order or purchase with state grant funds only approved equipment, services, or training, and no other, within fifteen (15) days of the receipt of the grant funds and shall provide a copy of all paid invoices as well as proof of payment, (cancelled check, cash paid receipt, or similar document), within ninety (90) days of the receipt of the grant funds. *Reference KRS 39F.140 (1)*
2. Within (30) thirty calendar days of award notification, the county must submit a duly executed Master Agreement (PON2) and acceptance of Terms and Conditions provided by KYEM to the Area Manager. The agreement will be between the state (1st party) and the county (2nd party); therefore only a person with signature authority for the applicable county may sign the Master Agreement.
3. Work cannot begin until the Master Agreement has been executed and received by KYEM. The squad's senior official and the county fiscal representative will be notified by the KYEM Administrative Branch.
4. Purchases will be made according to the funding amount, item description, and quantity listed on the Rescue Aid Program award letter. Any purchases made outside of the scope are subject to repayment of funds.
5. No later than April 1, 2015 the grantee shall submit to their KYEM Area Manager:
  - A completed KYEM 160 Form
  - A copy of the invoice(s) for the approved items for purchase under the grant award.
  - A copy of the cancelled check, cashier's check, or other proof of payment of the submitted invoices. A cancelled check is said to be canceled once it has been processed by a financial institution and all accounts have been credited. Once a check has been cancelled, it is typically stamped by a bank, marking the check as being cleared. If cancelled checks are not available a printed bank statement or ledger demonstrating the funds as "cleared" is acceptable.
  - Any funds not encumbered or expended during the grant period shall be returned to the Division with the expenditure documentation, unless authorized in writing by the Director to make additional purchases with encumbered funds. *Reference 39F.140 (1)*
  - Any grantee who fails to meet this requirement will be considered out of compliance and are subject repayment of the funds.
6. KYEM reserves the right to request additional information to ensure state allowable cost and auditing compliance.
7. The Area Manager will retain a copy of the documents for use during the site visit and shall submit the original documents to the KYEM Administrative Branch.
8. The County (grantee) agrees to:
  - Assure that the purchases are made in accordance with County purchasing policies and or county code;
  - Assure appropriate purchases are made and documentation (Purchase Orders, Invoices, Cancelled Checks) is maintained for all purchases;
  - Assure timely payment for purchases are made and provide documentation of the payment to the Rescue Squad for submission to the Area Manager or facilitate the transfer of the grant funds awarded to the Rescue Squad so that payment may be made by the rescue squad.
  - Assure no personal checks or personal credit card purchases are made.

9. The grantee shall notify the Area Manager when all of the equipment has been received by the rescue squad and make the equipment available for inspection on a date proposed by the Area Manager.
10. Upon notification by the grantee that all of the equipment has been received, the Area Manager within thirty (30) calendar days will:
  - Conduct a site visit with the rescue squad;
  - Verify that the equipment for which the rescue squad was invoiced is in fact what was ordered and is physically in the possession of the rescue squad;
  - Attach property tags to equipment requiring such;
  - Take a photograph of the equipment and a photograph showing the property tag attached to the equipment;
  - Complete an equipment inventory record; and
  - Submit such to the State Search and Rescue Coordinator.
11. The rescue squad shall be responsible for maintaining possession of all equipment purchased pursuant to the requirements outlined in KRS 39F.140.
  - Equipment will be made available for inspection upon request until such time ownership is transferred to the rescue squad.
  - Equipment purchased in part or in whole with rescue squad grant funds will be surrendered to Kentucky Emergency Management on request if not being properly used or maintained.
12. At any point in time during the FY 2015 grant cycle if the grantee ceases to meet the requirements in KRS 39F.120 the grantee will withdraw their request for funding or grant award.
13. A member of the search and rescue squad command and a representative from the county agree to participate in an award briefing.

- B. Any single item that has a single item cost of \$5,000 or more requires a written vendor estimate or quote from at least three (3) different vendors that outlines the price of the item(s), the delivery schedule for the item(s), and maintenance provisions for the item(s)**
- C. If possible, to ensure accuracy of the final purchase price, every effort should be made to obtain cost projections from potential vendors.**

*(BE AS EXPLICIT AS POSSIBLE WHEN DEFINING THE NEED FOR THIS EQUIPMENT. USE ADDITIONAL SHEETS AS NECESSARY)*

Hardin County Search and Rescue (HCSAR) is requesting funds for minimum equipment identified in 106 KAR 1:350 Section 8, The minimum equipment for search and rescue squad specializing in a search for lost, trapped or missing persons. This would be new equipment for the Squad, as all required equipment is currently provided by a Memorandum of Agreement with Rineyville Fire Department (RFD) that dedicates the use of equipment owned by RFD to HCSAR until such time as we can secure funding to purchase all requisite equipment. That transition has been a slow process; we were only recently awarded 501c3 status, which had thus far limited our ability to solicit charitable contributions. Last year, we applied as a new department, but our Rescue Aid Grant was revoked due to a failure to submit purchase receipts by the deadline, requiring us to return equipment and the awarded funds. Achieving those minimum equipment requirements becomes a force multiplier for Hardin County Emergency Management as it frees up equipment currently not available to one of their resources due to the generous dedication of its use to HCSAR in our endeavor to grow.

Specifically we are requesting funds to purchase:

- 1 ea. 50w Kenwood Mobile Radio, along with a power supply, and mast antenna; Sourced from Davis Electronics @ \$1,097.90. The requisite software and cable to allow us to add mutual aid frequencies from our laptop in the event we are deployed to emergencies outside of our home county. Currently the mobile radio requirement is met by a loaned radio that is mounted in our dedicated SAR vehicle, however on search sites this binds the vehicle to the Command Post. A quote is attached detailing this request, and includes a 2 year parts and labor warranty. An approximate 7 day turnaround from order to delivery, this equipment would be picked up locally.
- 1 ea. 3k PowerHouse Inverter Portable Generator Model #: 69273. Sourced from Lowe's @ \$1,299, this generator is specifically designed to produce power safe for delicate electronics like the Radio's & computers we will be running at search sites. It is a local purchase, with a 7 day delivery turnaround that will be picked up in store.
- 2 ea. Pelican: 9440 Rechargeable Remote Area LED Lighting Systems Product W-9440 , sourced from thefirestore.com @ \$860.59 ea, these 2,400 lumen rechargeable battery operated lights offer 6 hours scene lighting needs. They are collapsible, light weight and man-packable providing the ability to be field deployed as necessary to remote rescue locations inaccessible by vehicle. These items are drop shipped within 1-3 days of order, and bear an additional ground shipping cost of \$51.64.
- 1ea. Dyna Med Medic Back Pack Level 2 First Responder Kit, sourced from Galls @ \$144.99. While we equip all of our have responders with a personal first aid kit, we have several EMT & Paramedic members, and intend on fielding a medical response team as necessary. This item is delivered within 4-6 days of order with shipping cost of \$6.95.

# Request for Waiver of Equipment Requirements State FY 2015

## Waiver Consideration

The Division Director and Rescue Aid Fund Committee will consider granting an equipment waiver to squads who are newly formed, squads who are forming a specialty, or squads who do not have a piece of equipment on the minimum equipment list, but do however have a piece of equipment that is similar in nature and can provide the same level or enhanced function.

## KRS 39C.090 Requests for Waiver of Requirements

Requests for the waiver of any requirement of KRS 39C.050, 39C.060, 39C.070, and 39C.080 or any criteria of KRS Chapter 39F may be submitted with appropriate justification to the director of the division. The director may grant waivers only upon the finding that the justification merits special action and failure to grant the waiver would jeopardize the continuation or development of a viable local emergency management agency and program. In every case, the director shall insure the local agency and program continues to meet the basic intent of KRS Chapter 39B. Waivers shall apply on a one (1) time basis relating to a specific request and shall not be construed to establish precedents.

Effective: July 15, 1998

History: Created 1998 Ky. Acts ch. 226, sec. 48, effective July 15, 1998

---

## Criteria to Apply for a Waiver

1. Applicants must meet all other requirements in KRS 39F.120.
2. Applicants may not request a waiver for equipment listed on the "replacement only equipment" list if the squad has not previously self-funded the piece of equipment. The intention of "replacement only equipment" is for the squad to initially fund the purchase, and for the Rescue Aid fund to replace if the equipment has exceeded the life expectancy or is unable to be repaired.
3. The waiver request must be completed and returned with the FY 2015 grant application.
4. One time waiver requests must be clearly requested with support justification and rationale. One time waivers will be reviewed by the grant committee who will provide the Division Director with a non-binding recommendation.

Example of when to request a waiver: The Water Rescue and Recovery Operations specialty requires a john boat in excess of nineteen (16) feet or larger. The squad has a john boat that is fifteen (15) feet. This boat is similar in function and serves the squad within their capacity to perform their duties as stated in the affiliation agreement.

*The following documents must accompany this application.  
Missing or incomplete documents will render the application ineligible for consideration for funding.*

Please place a check in each of the boxes to ensure each element is incorporated into the application.

- ✓ Search and Rescue Cumulative Equipment Inventory – KYEM Form 465
- ✓ Search and Rescue Squad current Active Membership List (4<sup>th</sup> QR of FY 14, April – June 2014)– KYEM Form 430
- ✓ Search and Rescue Squad Quarterly Training report for all (4) four quarters of FY14
- ✓ A current copy of all required Affiliation Agreement(s)
- ✓ Applicable quotes / estimates for minimum or optional equipment

#### CERTIFICATION AND COMPLIANCE AGREEMENT

I certify I have examined this document, including all supporting documents, and to the best of my knowledge, verify that it is true, correct, and complete.

I affirm that this rescue squad is in compliance with KRS 39F.120 (1-9) Requirements for rescue grant funding – Written standard operating procedures – bylaws – rescue vehicle – membership – training – affiliation – service fee prohibited.

CHIEF RESCUE OFFICER SIGNATURE *Larry Albrecht* DATE SIGNED: *10/8/14*

**Equipment Agreement**  
**Between Rineyville Fire Department and**  
**Hardin County Search and Rescue**

The foregoing is a working agreement between Rineyville Fire Department (RFD) and Hardin County Search and Rescue (HCSAR). This agreement becomes effective on the date of signature and will be updated annually or whenever one of the signing officials change. Amendments to this agreement may be made upon approval of both parties.

The purpose of this agreement is to provide dedicated response equipment for the purposes of ground search and rescue in the event of an emergency or disaster.

1. Rineyville Fire Department will:
  - a. Provide the use of a "pickup" style vehicle in the event HCSAR receives a call for services from Hardin County EM.
  - b. Provide the use of 16 ground search and rescue packs that include:
    - i. Compass
    - ii. Flashlight
    - iii. Helmet
2. Hardin County Search and Rescue will:
  - a. Comply with all rules, orders, and regulations issued by proper authorities.
  - b. Properly care for and maintain in good working order, all equipment and property.
  - c. Continue to apply for grants and seek revenue sources to purchase equipment of its own.

This agreement entered into on the 1<sup>ST</sup> day of JANUARY 2014

**KENTUCKY DIVISION OF EMERGENCY MANAGEMENT  
RESCUE SQUAD CUMULATIVE EQUIPMENT INVENTORY**

**INSTRUCTIONS:**

1. All Minimum Equipment Inventory forms shall be fully completed. Indicate on the blank line beside each equipment item description the actual number of items currently owned by a rescue squad. (i.e., if a rescue squad owns **two (2)** center punches, enter the number "2" on the blank line. **Do not** use a check mark to indicate ownership of the equipment item.) Account for **all** equipment owned by a rescue squad, including items not in working order or no longer serviceable.
2. When a rescue squad engages in more than one specialized rescue squad activity or general rescue squad activity, the equipment listed as New or Replacement Equipment or Replacement Only Equipment for rescue squads specializing in water rescue and recovery, water rescue and recovery utilizing divers, high angle rescue, cave rescue, or search for lost, trapped or missing persons, will not have to be duplicated to meet minimum equipment inventory requirements. Duplicate items listed under specialized rescue squad inventories should be marked with a "D" on the blank line.
3. Direct questions regarding the inventory process to the Kentucky Division of Emergency Management (KyEM) Area Office.

**GENERAL PURPOSE RESCUE SQUAD MINIMUM EQUIPMENT INVENTORY**

**Protective Gear:**

- \_\_\_ (12) pairs of gloves
- \_\_\_ (12) pairs of safety goggles
- \_\_\_ (12) squad coats
- \_\_\_ (12) helmets
- \_\_\_ (12) pairs of boots with protective toe

**Medical Equipment:**

- \_\_\_ (2) first aid kits, 24 unit Industrial type or equivalent
- \_\_\_ (2) full backboards
- \_\_\_ (2) half backboards
- \_\_\_ (1) basket litter
- \_\_\_ (4) 15'x1" tubular nylon webbing
- \_\_\_ (1) splint kit, half-arm, half-leg, full-arm, full-leg

**Extrication Equipment:**

- \_\_\_ (1) 12' tow chain
- \_\_\_ (2) hacksaw frames
- \_\_\_ (12) hacksaw blades
- \_\_\_ (2) pairs of pliers, minimum of 8", slip-joint
- \_\_\_ (1) pair of locking pliers
- \_\_\_ (2) pairs of wire cutters with insulated grips
- \_\_\_ (1) center punch
- \_\_\_ (4) flat blade screwdrivers, assorted sizes
- \_\_\_ (4) phillips screwdrivers, assorted sizes
- \_\_\_ (1) seat belt cutter

- \_\_\_ (1) pair of minimum of 8" tin snips
- \_\_\_ (1) claw hammer
- \_\_\_ (2) crescent wrenches
- \_\_\_ (2) 24" pipe wrenches
- \_\_\_ (2) axes, single butt, 4 lb. head
- \_\_\_ (1) mattock
- \_\_\_ (1) 18" bow saw
- \_\_\_ (1) pair of 36" bolt cutters
- \_\_\_ (1) 8 lb. sledge hammer
- \_\_\_ (1) minimum of 14" chain saw
- \_\_\_ (1) rounded point shovel (short handle)
- \_\_\_ (1) rounded point shovel (long handle)
- \_\_\_ (2) ½"x12" gooseneck wrecking bars
- \_\_\_ (2) 1"x30" gooseneck wrecking bars
- \_\_\_ (1) six (6) foot pry bar
- \_\_\_ (1) minimum of 1 and ½ ton come-along
- \_\_\_ (1) air chisel with extra tank
- \_\_\_ (1) minimum of 10-ton portapower
- \_\_\_ (1) minimum of 5-ton hydraulic jack
- \_\_\_ (1) 36" hooligan tool
- \_\_\_ (2) rescue pulleys
- \_\_\_ (4) minimum of 50' sections of nylon rope
- \_\_\_ (2) minimum of 150' x ½" static kernmantle rope
- \_\_\_ (1) minimum of 8' straight ladder

**Communications Equipment:**

- \_\_\_ (4) portable (hand-held) radios
- \_\_\_ (1) mobile radio with antenna per vehicle
- \_\_\_ (1) encoder
- \_\_\_ (1) base station radio w/ antenna
- \_\_\_ (1) base station radio tower

NOTE: The requirement for encoder, base station radio with antenna and base station tower may be deleted if the rescue squad is dispatched by another agency, city or county public safety communications center.

**Miscellaneous Equipment:**

- \_\_\_ (2) fire retardant blankets or salvage covers
- \_\_\_ (2) 5 gallon gas cans, safety type
- \_\_\_ (2) minimum of 10 lb. fire extinguishers, ABC rated
- \_\_\_ (1) minimum of 2.5 KVA portable generator
- \_\_\_ (1) minimum of 50' No. 10 Electrical extension cord, GFI equipped
- \_\_\_ (1) minimum of 100' No. 10 electrical extension cord, GFI equipped
- \_\_\_ (1) minimum of 100' No. 12 electrical extension cord, GFI equipped

### **Inventory Explanation Addendum**

Hardin County Search and Rescue was formed in DEC 2012 as a rescue squad specializing in Ground SAR. The group was organized by a concerted effort from members of the Rineyville Volunteer Fire Department. Rineyville VFD identified the need for such a Squad in Hardin County, but wanted it to be an independent resource separate from the area Fire Departments. While there are a couple members of Hardin County SAR that are from Rineyville VFD, the overwhelming majority of membership has come from the community. Because of the infancy of the organization HCSAR owns no equipment itself; however Rineyville VFD has agreed to dedicate the use of the vehicle and other equipment on the KyEM Form 465 to HCSAR at any time needed. This arrangement has been made, and spelled out in an agreement signed by both organizations, to help HCSAR "bridge the gap" until such time that sufficient funds are raised to purchase these items. The items requested in this year's rescue aid grant application were approved last year, bringing us much closer to independence. However we were unable to meet the time requirements for submitting the receipts to KyEM after purchasing the equipment necessitating the equipment and funds be returned.
