## PART B

### SECTION A: PROJECT DESCRIPTION

1. This is an expansion of a project (HHW) that we have participated in over the last few years. We will contract the services of a qualified environmental firm to collect and properly dispose of this material.

Participation in the HHW event continues to increase from year to year as more become aware of this annual event. As participation increases, so does the cost to sponsor this event. Even with a state grant of \$18,868.56 last year, the overall cost of this one day event was about \$28,000. I expect participation and cost to be even greater this year.

2. We will have one (1) drop-off site located in the Industrial Park in the City of Elizabethtown. This is the central location and has worked well in the past. This site will serve Elizabethtown, Radcliff, West Point, Vine Grove, Upton, Sonora and other smaller unincorporated areas of the county.
3. We will accept the following:

<b>Examples of Items Accepted</b>		
<b>Drain Cleaners</b>	<b>Pesticides</b>	<b>Fluorescent Bulbs</b>
<b>Wood Strippers</b>	<b>Adhesives</b>	<b>Batteries</b>
<b>Pool Chemicals</b>	<b>Mercury Thermometers</b>	<b>Moth Balls</b>
<b>Solvents</b>	<b>Automobile Products</b>	<b>Driveway Sealers</b>
<b>Household Cleaners</b>	<b>Bleaches</b>	<b>Fuels</b>
<b>Oil-based Paint</b>	<b>Paint Thinner</b>	<b>Bleaches</b>
<b>Anti-Freeze</b>	<b>Chemistry Sets</b>	<b>Metal Polish</b>
<b>Muriatic Acid</b>	<b>Rust Preventatives</b>	<b>Herbicides</b>
<b>Creosote</b>	<b>Ammonia</b>	<b>Dry Cleaning Fluids</b>
<b>Insecticides</b>		

This will be a one-time event (annual) and we anticipate a large response.

4. The site we have used in the past has a large paved area, properly marked with safety cones and volunteers to assist in unloading the vehicles. We will have a qualified environmental firm on site, properly staffed, to handle any material delivered to us. The hours will be from 8:00AM until 2:00PM, and extended if necessary.

#### **SECTION B: PROJECT ADVERTISING AND EDUCATION**

1. We will promote via a local radio station and local newspaper. We will have printed brochures for distribution in local industries, schools and government buildings. Prior to the event (1-week), we will place a large banner at the collection point giving the date, time and a brief list of items accepted. This will also be listed on our web-site.
2. Most of the promotions will be done by the local government along with businesses located in the Industrial Park. The league of Women Voters and the Woman's club of Elizabethtown have assisted us in the past.

We can provide dumpster(s) for that event for ~~\$150 per dumpster~~ plus disposal. Usually, the county would just work that out with the landfill and only pay the Landfills portion of the disposal.
