January, 28th 2016

To: Bob Hammonds
911 Director
Hardin County E-911

Mr. Hammonds,

I would like to inform you of my resignation from my full time position as Shift Leader with the Hardin County E-911 Center effective February 21st, 2016. I would like to stay employed with this organization on a part time basis.

I have accepted a new position with LaRue County Emergency Management. This decision was not an easy one to make. The past three years working at this center has been a great learning experience. The opportunities giving to me over this time have been greatly appreciated. It has been a pleasure working here for you and the citizens of Hardin County on a full time basis. I hope to be able to take the skills that I have learned here and carry over to my new position as well as build on them here part time.

I hope to continue to build a strong relationship with Hardin County through our connections and any assistance that may be requested from county to county. Thank you again for the opportunity.

Sincerely,

Craig Dunn
