Hardin County EMS Memorandum

Date: June 21, 2016

To: James Mudd
Supervisor, C-Shift

From: Robert Klinglesmith 
Paramedic, C-Shift

Subject: RESIGNATION

Please accept this as my RESIGNATION from Hardin County EMS effective July 4th, 2016 at 0800hrs.

I would like to thank those very few who have supported me in my career here. I have learned a lot during my six years here at HCEMS and it is bittersweet to have to be leaving.

I will be utilizing the last of my vacation time on July 3rd, 2016, so my last day of street operations will be June 30th, 2016.

I have done nothing but try to improve the service medically and operationally. I have been met with roadblock after roadblock. I have strived to get HCEMS the recognition it deserves and have accomplished this with Mission:Lifeline and Heartsafe Community designations which no formal presentations being made in fiscal court to allow our staff to feel proud about this accomplishment.

Education and Training is not a priority for the service currently and hope that this will change with the return of John and new Training leadership in place.

I wish this service luck in the future and hope at some point morale can improve to help the service retain the skilled professionals that have left due to the unpleasant working conditions.

Robert Klinglesmith
Paramedic, C-Shift
