**COUNTY REQUEST AND AGREEMENT FOR ANTI-LITTER CONTROL PROGRAM
GRANT FUNDING**

Hardin County hereby applies for grant funding for anti-litter control program activities allowed pursuant to KRS 224.43-505.

The county understands and agrees to the following terms and conditions:

- The grantee shall conduct three litter cleanups along public roads each year as required by KRS 224.43-345, 401 KAR 49:080 Section 1(5), and 401 KAR 49:080, Section 3(1). A public road cleanup is defined as the “cleanup of litter along a number of public road miles equivalent to one-third (1/3) of the total public road miles in the solid waste management area, excluding total city street miles.”
- Unless the incorporated city received litter abatement grant funding, the grantee shall conduct litter cleanups along city streets two (2) times per year. A city street cleanup is defined as the “cleanup of litter along a number of city street miles equivalent to one-half (1/2) of a city’s total street miles.”
- The amount of anti-litter control program grant funding is determined in accordance with KRS 224.43-505 and the number of applicants applying for the grant.
- The anti-litter control program grant funding shall be used for direct expenses, as defined in 401 KAR 49:080, Section 1(2), incurred during calendar year 20 17, associated with anti-litter control programs, for litter cleanup on public roads and city streets as provided in KRS 224.43-505, and to meet the requirements established in KRS 224.43-345.
- By March 1, 20 18, the county shall submit with its Annual Report to the Division of Waste Management a completed “Anti-Litter Control Program Annual Report”, as well as a completed “Certification of Use of Anti-Litter Control Program Grant Funding”.
