From Terry Guggisberg

This is to serve as my official letter of resignation. While this is not the outcome that I wanted, I have no way of proving the patient that I transported was on the monitor or why the record of it may or may not have been deleted. The only other person there that knows how to retrieve that data is Supervisor Wilson and he has told others that it was a goal of his to get me fired. I guess he met his goal.

I hold no ill will toward you as I know you are only doing your job. I wish you luck in the future.

Terry Guggisberg.
