Bryce,

It is with sadness that I am submitting my resignation as Hardin County 911 Director, effective December 5, 2016. Since July, 2012 I feel we have accomplished many great things at Hardin County 911, including transition to a new facility with state of the art equipment. However, in order to better provide for my family I must weigh all options and offers I receive.

I have been presented with an opportunity that I simply cannot reject. I have enjoyed tremendously my time with Hardin County Government and wish everyone continued success in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Bob Hammonds", written over a light blue horizontal line. The signature is fluid and cursive.
