Judge/Executive

We Welcome Your Participation

Hardin County welcomes your active participation in your county government. We encourage you to attend the Fiscal Court meetings as well as the Fiscal Court Committee meetings to share your ideas and concerns with your elected representatives.

The **Public Works Committee,** chaired by Magistrate Morgan with vice chairperson Magistrate Goodman, concentrates on engineering, planning and development, roads, utilities, and the infrastructure of the county.

The **Resources and Community Support Committee,** chaired by Magistrate King with vice chairperson Magistrate Boone, focuses its attention on finance, personnel, real property, animal care and control, public library, and health department issues.

The **Solid Waste Committee** is chaired by Magistrate Clem with Magistrate Wiseman as its vice chairperson. The committee focuses on the solid waste functions of the county including the landfill, recycling, as well as Code Enforcement.

The **Emergency Services Committee**, chaired by Magistrate Easter with vice chairperson Magistrate Thompson, directs its attention to the county's Emergency Management, EMS, E-911 Center, Coroner, and Detention Center issues.

The meeting dates are published in *The News-Enterprise* and posted on our county website at www.hcky.org

Fiscal Court meets at 3:30 pm on January 9 and 23 in the Government Building.

Emergency Alert System

Provides you with the critical information you need in an emergency

In our modern world of real time communication, your county government introduced the popular program in 2011 to notify you of impending severe weather, county government closings or delays, as well as other critical emergency information via your mobile or landline phone, e-mail, or text.

To register, call our E-911 Center at 270-737-0540 or look for this logo on our website's homepage.
