BOARD OF TRUSTEES FOR HARDIN MEMORIAL HOSPITAL
RESOLUTION NO. 2018-068**

WHEREAS, pursuant to Resolution No. 2016-182, the Hardin County Fiscal Court (the "Fiscal Court"), also acting in its capacity as the Board of Trustees of Hardin Memorial Hospital, approved the issuance of a Request for Proposals ("RFP") to explore strategic partnership options from interested healthcare organizations for the future operation of Hardin Memorial Hospital, also known as Hardin Memorial Health ("HMH");

WHEREAS, pursuant to Resolution No. 2017-1, the Fiscal Court, also acting in its capacity as the Board of Trustees of HMH, selected the proposal submitted by Baptist Healthcare System, Inc. ("Baptist Health") and appointed and authorized a Steering Committee to negotiate a definitive agreement with Baptist Health (the "Definitive Agreement");

WHEREAS, pursuant to Resolution 2017-1, the Steering Committee was directed to submit the Definitive Agreement to the Board of Trustees of HMH for review and final approval prior to execution and implementation;

WHEREAS, the Definitive Agreement that the Steering Committee and Baptist Health have negotiated and drafted is an Asset Purchase Agreement, attached hereto as Exhibit A (the "APA"), pursuant to which Hardin County will sell and assign to Baptist Health the identified assets and liabilities, including certain real and personal property currently used by HMH and necessary to HMH's continued growth and success;

WHEREAS, on May 1, 2018, at an Executive Session of the Board of Trustees of HMH, the Steering Committee submitted the APA to the Board of Trustees along with a report, attached hereto as Exhibit B (the "Steering Committee Report"), which summarizes the terms of the APA, identifies several reasons why the execution of the APA is in the public interest, and recommends that the Board of Trustees of HMH approve the execution of the APA;

WHEREAS, on May 1, 2018, the APA and the Steering Committee Report were posted for public review; and

WHEREAS, the Fiscal Court, also acting in its capacity as the Board of Trustees of HMH, having had sufficient time to review the APA and the Steering Committee Report, desires to adopt the recommendations of the Steering Committee and the resolutions set forth herein;

NOW, THEREFORE, BE IT RESOLVED, that the Hardin County Fiscal Court, Commonwealth of Kentucky, also acting in its capacity as the Board of Trustees of HMH, hereby determines the following:

- (1) The APA, which is incorporated herein by reference, fully describes the real and personal property of Hardin County, Kentucky that will be sold to Baptist Health (the "Property") and the amount of compensation Baptist Health will pay to Hardin County; and
- (2) To the knowledge of the Fiscal Court, at the time the Property was acquired, its intended use was for the provision of, or for the future provision of, or to facilitate the provision of health care services to the residents of Hardin County and the surrounding region; and
- (3) For each of the reasons set forth in the Steering Committee Report, which is incorporated herein by reference, and including without limitation the cash compensation to Hardin County, the continued operation of a nonprofit hospital in Hardin County, the continued employment of HMH's current physicians and staff, and the economic development benefits expected from Baptist Health's capital commitment, it is in the public interest to sell the Property to Baptist Health; and
- (4) The method of disposition to be used to sell the Property will be the execution and delivery by the parties of the APA, the completion of the conditions and actions described in the APA to occur on or before the Closing (as defined in the APA), and the conducting and carrying out of the Closing and the other matters called for in the APA. This method of disposition is the culmination of a two year process authorized by the Fiscal Court which has included vetting 37 health systems, contacting 11 health systems to gauge their interest, issuing an RFP (as approved by Resolution No. 2016-182) to eight interested health systems, a competitive bidding process involving four health systems (submitting a total of three proposals) interested in

purchasing the Property; selection of Baptist Health's proposal (pursuant to Resolution No. 2017-1); and negotiation of the APA.

BE IT FURTHER RESOLVED, the Fiscal Court hereby authorizes, ratifies, and approves the sale of the Property pursuant to the terms of the APA.

BE IT FURTHER RESOLVED, the Fiscal Court hereby authorizes and directs the Hardin County Judge Executive acting in his role as Chair of the Board of Trustees of HMH, or his designee, to execute the APA on behalf of Hardin County d/b/a HMH.

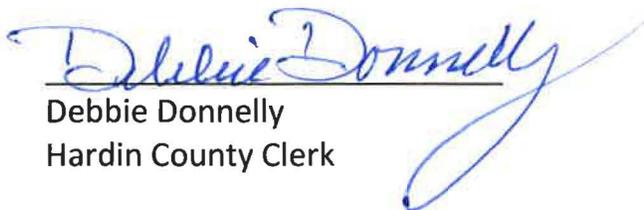

BE IT FINALLY RESOLVED, that, following the execution of the APA, the Fiscal Court hereby authorizes, empowers, and directs the Hardin County Judge Executive acting in his role as Chair of the Board of Trustees of HMH, or his designee, to enter into any other agreements and to take any and all actions necessary or appropriate to carry out, give effect to and consummate the sale of the Property, pursuant to the terms of the APA.

ADOPTED, by the Hardin County Fiscal Court, Commonwealth of Kentucky, also acting in its capacity as the Board of Trustees of HMH, in Regular Meeting of the Fiscal Court, on this 22nd day of May, 2018.

DATE: May 1, 2018

Background

On August 15, 2017, the Board of Trustees of Hardin Memorial Hospital (the “HMH Board”), adopted Resolution No. 2017-1. Following an extensive partner search process, this resolution authorized and directed the Steering Committee to: (1) complete its due diligence review of Baptist Health; and (2) negotiate an asset purchase agreement regarding the sale of Hardin Memorial Hospital (“HMH”) to Baptist Healthcare System, Inc. (“Baptist Health”), to be submitted to the HMH Board for its review and approval prior to execution.

Having completed each of these tasks, the Steering Committee submits this report to the Board, along with its **unanimous recommendation that the HMH Board approve** the attached Asset Purchase Agreement (the “APA”). This report summarizes the key terms of the deal that the Steering Committee has negotiated with Baptist Health, as set forth in the APA.

In addition to its own review, the Steering Committee engaged Huron Consulting Group, Inc. to provide financial advisory services, as well as Hall, Render, Killian, Heath & Lyman, P.C. to provide legal advisory services.

Finally, the Steering Committee recognizes that there are several constituencies that will be affected by the HMH Board’s decision. During negotiations, the Steering Committee has grouped these constituencies into four overlapping categories:

- (1) Hardin County and its residents;
- (2) HMH’s employees and retirees (our friends and neighbors who have built their careers at HMH);
- (3) The physicians in our community, including both those in the HMH Medical Group and on the HMH Medical Staff; and

- (4) HMH itself (one of the last independent, county-owned acute care hospitals in Kentucky navigating a rapidly changing health care landscape).

In addition to summarizing the key terms of the APA, this report seeks to identify how the transaction would impact each of these four constituencies.

Recommendation

The Steering Committee unanimously and resoundingly urges the Board of Trustees of Hardin Memorial Hospital to approve the sale of Hardin Memorial Hospital to Baptist Health according to the terms outlined in the Asset Purchase Agreement (and as summarized in this report).

Summary of Key Terms

(Please note that all section references at the end of each paragraph are to sections in the APA.)

Consideration – What is Baptist Health Promising in Exchange for HMH?

This \$361.4 Million deal is structured in a manner common throughout the health care industry, providing certain compensation to, and assuming certain liabilities of, Hardin County while also committing certain capital to the growth of HMH:

- **\$235 Million in Capital Investments to Grow HMH.** In the first five years, Baptist Health committed a minimum of \$150 million to build new facilities, recruit more physicians, upgrade HMH's technology and equipment, and strengthen HMH's position and reputation as the preferred regional healthcare center. After the first five-year period, Baptist Health committed an additional \$85 million during a second five-year period, until such time as Baptist Health has committed a total of \$235 million. (***Section 10.10***)
- **\$126.4 Million Paid to Hardin County.** Baptist Health will pay Hardin County a total of \$126.4 Million as follows:
 - **\$60 Million Paid to Hardin County at Closing.** At Closing, Baptist will pay Hardin County \$60 Million, less the amount used to fully fund all liabilities associated with HMH's defined benefit pension plan. The estimated cost to fully fund all pension plan liabilities is \$30-35 Million. Note that HMH could not have fully funded its pension plan independently, because use of such a significant portion of its existing cash would have caused HMH to be in violation of various bond-related covenants. Because HMH is operated as a subdivision of Hardin County and not as a separate legal entity, if HMH were unable to fund its pension liabilities, the obligation to do so would ultimately fall on Hardin County. (***Sections 2.5 and 6.11***)

- \$66.4 Million (\$50 Million Plus Interest) Paid to Hardin County Over 25 Years. In January 2019, Baptist Health will make an initial \$2 million payment to Hardin County, followed by 24 annual payments of \$2,683,815. (*Section 2.5*)
- Assumption of HMM's Liabilities – Approximately \$37 Million. Baptist Health will assume all of HMM's current debt obligations (except for HMM's pension plan, which Hardin County will fund in advance of Closing with a portion of the \$60 Million it would receive at Closing). HMM's estimated non-pension debt obligations are approximately \$37 million). Because HMM is operated as a subdivision of Hardin County and not as a separate legal entity, if HMM were unable to fund its liabilities, the obligation to do so would ultimately fall on Hardin County. (*Section 2.3*)
- \$150,000/Year in Health Care Services to Hardin County Inmates – More than \$4M in Total Benefit. Baptist Health will provide up to \$150,000 per year of health care services to inmates of the Hardin County jail at no cost to Hardin County. The annual amount will continue for 25 years and be adjusted for inflation each year. If the health care services are paid for by an inmate's insurance or a governmental program, they will not count against the \$150,000 annual cap. This Baptist commitment continues a benefit to the County that HMM has historically provided and that otherwise would become an expense of the County. (*Section 10.12*)

Employees – What Will Happen to HMM's Current Employees and Retirees?

- Employment and Pay. At the closing, HMM's employees will become employees of Baptist Health at their existing rates of pay. Included in this is a commitment from Baptist to retain the current HMM senior leadership team. Baptist Health will recognize and provide service credit for each HMM employee's years of service to HMM. (*Section 9.3*)
- Physician Employees. All HMM physician employees have contracts with HMM. HMM will assign these to Baptist Health Medical Group ("BHMGM") at Closing. The assignment will include some terms that apply to BHMGM physician contracts. Physicians will transition from HMM retirement and benefit plans to BHMGM retirement and benefit plans. HMM and Baptist Health will work to ensure that each physician's fair market value compensation remains consistent through this assignment process. (*Section 9.3*)
- Fully-Funding HMM's Pension. Each of HMM's employees is a participant in the HMM defined benefit pension plan. This pension is qualified as a governmental plan. Neither Baptist Health nor any of the other health systems that presented proposals to HMM were eligible to continue HMM's governmental pension plan. Accordingly, HMM must wind down the pension plan. Because the pension plan will be fully funded as part of this transaction, however, all participants in the pension plan will be guaranteed funding of their pension based on their current levels of qualification. Current pension plan participants will be given the option to elect a lump sum distribution or an annuity. After transitioning to Baptist Health, each of HMM's employees will have the opportunity to

participate in the retirement plans that Baptist Health offers its current employees. (*Section 6.11*)

- Maintaining HMH’s Retiree Medical Benefits – Approximately \$8M. In June 1985, HMH adopted a policy offering medical benefits to retirees age 55 or older, with such benefits continuing until the retiree was old enough to be covered by Medicare. This policy proved too expensive for HMH to maintain and in July 2005, HMH terminated the policy for new employees but grandfathered in the employees in the plan prior to July 1, 2005. Baptist Health will finance and maintain the policy for those employees that were grandfathered in. (*Section 9.3(e)*)

Other Items – What Additional Benefits Are Included in the Proposed Transaction?

- New Baptist “Central Kentucky Market.” Baptist has committed that HMH will be the hub of the Baptist “Central Kentucky Market”, with the goal of growing the services at HMH and its position and reputation as a regional referral center. It is anticipated that HMH will be re-branded after the closing as “Baptist Health – Hardin.” (*Section 10.13*)
- Limited Liability. This agreement limits future liabilities for Hardin County that arise out of HMH operations. (*Article 11*)

Enforcement/Security – What Steps Have Been Taken to Ensure Baptist Health Can and Will Honor This Deal?

- The Steering Committee engaged Huron Consulting Group to complete a diligent assessment of Baptist Health’s ability to meet its commitments to HMH and the County. Below is a review of Huron’s findings:
 - With the implementation of its Performance Improvement Plan in mid-FY17, Baptist Health’s reported profitability has significantly improved, exceeding forecasted earnings, total liquidity and days cash on hand. Actions taken include:
 - Exiting the health plan business (in process)
 - Improved management of physician groups in conjunction with broader system strategy
 - Key leadership roles filled
 - Baptist Health’s operating income for the first 4 months of FY18 amounted to \$23.4 million, a significant improvement from an operating loss of \$69.2 million in FY17 and well-above the budget for this period.
 - Baptist Health’s long-term forecast shows operating income improving from \$60.1 million in FY18 to \$109.0 million in FY22. Note that performance through the first 4 months of FY18 is well above the full-year forecast. If Baptist Health achieves its forecasted results over the projection period, the combination of net income and available cash appear sufficient to meet its commitments to HMH and the County through fiscal year 2022.

- Cash available for funding capital commitments was \$1.3 billion as of December 31, 2017.
- The Steering Committee engaged Hall Render to request and review information from Baptist Health regarding key legal issues that might affect Baptist Health’s ability to meet its commitments to HMH and the County. Below is a summary of Hall Render’s relevant findings:
 - The information Baptist provided regarding potential legal liabilities is consistent with that of similarly sized health systems. Baptist did not identify any significant liabilities that might prevent Baptist from fulfilling its commitments to HMH and the County.
 - In September 2016, Baptist closed on a similar agreement with Floyd Memorial Hospital and Health Services (“Floyd”), a county hospital in Indiana. Baptist’s agreement with Floyd included many similar terms to those in Baptist’s agreement with HMH and the County (e.g., a commitment to invest capital to grow the hospital; annual payments to the county; assumption of the hospital’s liabilities and debt; and employing all of Floyd’s staff at their current levels of compensation). Baptist has met each of its material commitments to Floyd under their agreement.
- The APA contains provisions to ensure Baptist Health honors the terms of the APA:
 - By November 15 of each year, Baptist Health must prepare and provide to the Hardin County Judge Executive a “Capital Commitment Report” reasonably describing Baptist Health’s capital expenditures from the prior year, its capital commitments for the current year, and the cumulative progress to date towards satisfying its \$235 million capital commitment. (*Section 10.10*)
 - If Baptist Health fails to honor the \$235 million capital commitments within 10 years, the difference must be paid to Hardin County no later than March 1, 2029. (*Section 10.10*)
 - If Baptist were to sell HMH, the County has an option to “buy back” HMH and go back into the hospital business. (*Section 10.14*)
 - Each of the hospitals in Baptist Health’s system is governed in part by a local hospital administrative board. HMH’s hospital administrative board will include 11 members in total, with at least six (6) members from Hardin County. This Board will have certain powers, including but not limited to, the following:
 - Monitor implementation of the hospital service area strategic plan;
 - Participate in the review of HMH’s capital and operating budgets and monitor the financial performance of HMH; and

- Implement major capital expenditures and monitor compliance with Baptist Health’s capital commitments to Hardin County. (*Section 10.11*)

The Changing Health Care Market – What are Some Risks of Remaining Independent and County-Owned?

Independent health systems across the country, including those owned by counties or other municipalities, are assessing their ability to remain independent in today’s challenging healthcare environment. The typical issue faced by hospital boards is not only the organization’s ability to remain independent, but whether a merger or other form of affiliation ***better*** positions the hospital to provide high-quality healthcare services to community residents over the long-term.

The HMM Steering Committee thoroughly reviewed the potential benefits of joining Baptist Health, many of which are outlined above. Additionally, there are numerous risks faced by HMM if it remains an independent entity, the more significant of which include:

- Reimbursement increases for healthcare services are widely expected to be restrained over the foreseeable future, while operating costs will continue to escalate. The trend of services transitioning from inpatient to outpatient facilities will continue. Many analysts are forecasting a decline in hospital profit margins over the long-term which may prove challenging for HMM to fund its capital plan.
- HMM has a capital plan that includes an IT implementation, facility construction and provider recruitment/onboarding. Baptist Health has committed to spend \$150 million in capital investments in the first five years. It would be impossible for HMM to invest at this level as an independent entity without County financial support.
- The County will retain financial risk if HMM remains independent. Given the current level of debt and pension obligations, combined with a large capital plan, the County may need to provide funding to HMM if its financial performance declines. This offloading of financial risk is one of the main reasons municipalities are exiting the hospital business.
- Healthcare reimbursement is expected to transition from pay-for-volume to a value-based care model. Such a model will require HMM to accept a higher level of risk as the organization will be paid to keep the population healthy. Healthcare systems have identified the following attributes as critical for succeeding under a value-based model: scale (large patient populations reduce the risk of outliers), a complete continuum of care, the use of advance analytics (“big data”), and a highly trained management team. HMM may not be well-positioned for an evolving payment model without the support of a larger organization.

4.13 Real Property.

(a) Except as set forth on Schedule 4.13(c), Transferor owns good, marketable and insurable fee simple title to the Owned Real Property, together with all buildings, improvements and fixtures thereon and all beneficial interests and appurtenances thereto, which Owned Real Property, to Transferor's knowledge, is properly zoned for use consistent with Transferor's use of the Owned Real Property and subject only to the Permitted Encumbrances. A complete and accurate list of all Owned Real Property is contained on Schedule 1.1E. To Transferor's knowledge, Transferor has valid and enforceable beneficial interests and appurtenant rights in all beneficial easements and appurtenant rights relative to the Owned Real Property (the "Beneficial Rights"). A complete and accurate list of all Beneficial Rights of which Transferor has knowledge, which list separately identifies all Beneficial Rights relative to each of the properties comprising the Owned Real Property is contained on Schedule 4.13(a). A complete and accurate list of all Leased Real Property, which list separately identifies all Owned Real Property Leases and all Transferor Occupied Leases, and describes the parties, date of lease and any amendments and premises leased of all such Leases, is contained in Schedule 1.1C. Transferor is not in material default with any of the terms and conditions of any of Leases and, to the best of Transferor's knowledge, the landlord and other parties to the Leases are not in material default with any of the terms and conditions of any of the Leases. There are no agreements or amendments, oral or written, to which Transferor is a party, pertaining to any lease or premises leased other than as set forth in the Leases. At the Closing, Transferor will transfer and convey to Transferee or its designated affiliates good, marketable and insurable fee simple title in and to the Owned Real Property, free and clear of any Real Property Encumbrance, except Permitted Encumbrances, and, to Transferor's knowledge, properly zoned for use consistent with Transferor's use of the Owned Real Property. At Closing, Transferor will transfer and convey to Transferee or its designated affiliates a valid and enforceable interest in the Beneficial Rights, subject to the Permitted Encumbrances. At the Closing, Transferor will transfer and convey to Transferee or its designated affiliates valid leasehold interests in the Leased Real Property occupied by Transferor under the Transferor Occupied Leases. Neither Transferor nor any Affiliate of Transferor has created any Real Property Encumbrance (other than Permitted Encumbrances) which will materially interfere with Transferee's use of the Real Property in a manner consistent with the current use by Transferor or which will impair the marketability of the Owned Real Estate.

(b) To Transferor's knowledge, except as set forth in Schedule 4.13(c), Transferor and its Affiliates have not received in the last five (5) years any written notice that any part of the Real Property is currently in violation, which violation has not been cured, of local building codes, ordinances or zoning laws or regulations, nor to the knowledge of Transferor has any such notice

been issued. To Transferor's knowledge, Transferor and its Affiliates have not received any written notice in the last five (5) years, which currently remains uncured that indicates that Transferor or its Affiliates has failed to obtain any Permit or other authorizations required of Transferor or its Affiliates by applicable Laws with respect to the Real Property, nor to the knowledge of Transferor has any such notice been issued. Transferor and its Affiliates have not received any written notice or request, formal or informal, from any insurance company or board of fire underwriters (i) identifying any defects in the Real Property which would materially adversely affect the insurability or marketability of the Real Property, or (ii) requesting the performance of any work or alteration with respect to the Real Property. Except as set forth on Schedule 4.13(c) to Transferor's knowledge, the Owned Real Property is in compliance in all material respects with all applicable Laws, and Transferor has not received any written notice of violation of any applicable Law from any governmental entity in respect of the use, occupancy, or operation of the Owned Real Property, nor to the knowledge of Transferor has any such notice been issued. To Transferor's knowledge, no applicable Law prohibits, limits or conditions the use or operation of the Owned Real Property as currently used or operated. To Transferor's knowledge, all utilities serving the Real Property are adequate to operate the Facilities in the manner they are currently operating. To Transferor's knowledge, Transferor has not received written notice of any action to alter the zoning or zoning classification or to condemn, requisition or otherwise take all or any portion of the Real Property, nor to Transferor's knowledge has any such notice been issued.

(c) Except as set forth on Schedule 4.13(c), to Transferor's knowledge, all of the mechanical and electrical systems, heating and air conditioning systems, plumbing, water and sewer systems, and all other items of mechanical equipment or appliances included in the Owned Real Property are in functional condition and good working order, ordinary wear and tear excepted.

(d) Except as set forth on Schedule 4.13(c), Transferor and its Affiliates have not received any notices of special assessments which affect the Owned Real Property in the last five (5) years other than any special assessments that can be identified by an examination of existing tax records as to the Owned Real Property, and, to the best of Transferor's knowledge, no such assessments are pending or contemplated.

(e) To Transferor's knowledge, no part of the Owned Real Property contains or is located within any tideland, wetland, or marshland or lies in a flood plain.

4.14 Personal Property.

Transferor presently owns and will hold on the Closing Date good, valid and marketable title to and ownership of all personal property, whether tangible or intangible, consisting of any part of the Transferred Assets. 4.15 Insurance.

Schedule 4.15 sets forth a true and complete list of all insurance policies or self-insurance funds maintained by Transferor as of the date of this Agreement covering the ownership and operation of the Transferred Assets or any of the Facilities, indicating the types of insurance, policy numbers, terms, premium, identity of insurers and amounts and coverages (including applicable deductibles and self-insured retentions). All of such policies are now and will be until the Closing in full force and effect with no premium arrearages. Except as set forth on Schedule 4.15, (i) there is no outstanding written requirement or recommendation by any insurance company that issued any such policy or by any board of fire underwriters or other similar body (including any Governmental Entity) exercising similar functions which requires or recommends any repairs or other work to be done or with respect to any of the Transferred Assets; (ii) Transferor has given to its insurer in a timely manner all notices required to be given under its insurance policies with respect to all claims and actions covered by insurance within the last five (5) years, and no insurer has denied coverage of any such claims or actions or reserved its rights with respect to or rejected any such claims; and (iii) Transferor has not as of the date of this Agreement and within five (5) years of the date of this Agreement (a) received any notice or other written communication from any such insurance company canceling or materially amending any of said insurance policies with respect to the Transferred Assets, and to the knowledge of Transferor no such cancellation or amendment is threatened, or (b) failed to give any required notice or present any claim which is still outstanding under any of said policies with respect to the Transferred Assets. To the extent assignable, such policies of insurance shall be assigned to Transferee as part of the Transferred Assets, and to the extent such policies are not assignable, such policies will be cancelled as of Closing and the unearned premiums refunded by the insurers will be turned over to Transferee. For any liability insurance policies of Transferor written on a claims-made basis that are not assignable and are cancelled, Transferor will at or prior to Closing obtain appropriate replacement insurance and tail insurance, at Transferee's expense and subject to Section 6.8, to cover all claims based on events occurring prior to Closing in an effort to ensure that there is no gap in insurance coverage.

4.16 Employee Benefit Plans.

(a) Schedule 4.16(a) sets forth a list of all "employee benefit plans" (collectively the "Plans"), as defined in Section 3(3) of ERISA, all specified fringe benefit plans as defined in Section 6039D of the Code, and all other bonus, incentive compensation, deferred compensation, profit sharing, stock option, severance, supplemental unemployment, layoff, salary continuation, retirement, pension, health, life insurance, disability, group insurance, vacation, holiday, sick leave, extended illness, fringe benefit or welfare plan or any other similar plan, agreement, policy or understanding (whether oral or written, qualified or non-qualified) and any trust, escrow or other funding arrangement related thereto, (i) which is currently or has been maintained or contributed to by any of Transferor or any affiliate thereof within the prior six (6) years; (ii) with respect to which any of Transferor or any affiliate thereof has any liability or obligations to any current or former officer, employee or service provider of Transferor or the spouses and dependents of any thereof, regardless of whether funded, and/or in which any current or former officer, employee or service provider of any of Transferor or any spouses and dependents thereof participate, or (iii) which could result in the imposition of liability or any obligation of any kind or nature, whether accrued, absolute, contingent, direct, indirect, known or unknown, perfected or inchoate or

For purposes of this Section 4.16, the term "affiliate" is any person or entity which, together with Transferor would be treated as a single employer under Section 414(b), (c), (m) or (o) of the Code.

Each Plan intended to be qualified under Section 401(a) of the Code is the subject of a favorable determination letter (or, in the case of a prototype or volume submitter plan, a favorable opinion or notification letter). No event has occurred which could cause any Plan to become disqualified or fail to comply with the respective requirements of Section 401(a), 403(b) or 457 of the Code, as applicable, or that would make a distribution from such Plan to be ineligible to be rolled into an individual retirement account or a plan that is qualified under Section 401(a) of the Code. Each Plan has been operated in compliance in all material respects with all applicable Laws, and operated in accordance with its terms. There is no action, audit, claim, investigation or government enforcement action pending or, to Transferor's knowledge, threatened against any of Transferor, the Plans or any of them, other than routine claims for benefits. There is no outstanding issue with reference to the Plans pending before any governmental agency. All contributions, including salary deferrals, required to be made pursuant to the terms of any of the Plans as of the date of this Agreement have been timely made. Except as set forth on Schedule 4.16(b) and/or as referenced in Section 6.11, the consummation of the transactions contemplated hereby will not accelerate the time of vesting or payment, or increase the amount, of compensation payable to any employee, officer, former employee or former officer of any of Transferor or any affiliate thereof. The Transferred Assets are not, and Transferor does not reasonably expect them to become, subject to a lien imposed under the Code including liens arising by virtue of Transferor considered to be aggregated with another entity pursuant to Section 414 of the Code ("Controlled Group").

(c) Each of Transferor and its affiliates have complied in all material respects with the applicable continuation coverage requirements of COBRA, the applicable requirements of Section 5000 of the Code, and any applicable Kentucky state law equivalent with respect to all current and former employees and their beneficiaries. Schedule 4.16(c) lists all current and former employees of Transferor and their beneficiaries who are eligible for and/or have elected continuation coverage under COBRA and any Kentucky state law equivalent. Except as provided on Schedule 4.16(c), no Plan provides for, and no written or oral agreement has been entered into promising or guaranteeing, the continuation of medical, dental, vision, life or disability insurance coverage (for disabilities incurred after such termination of employment) for any current or former employees of any of Transferor or their beneficiaries for any period of time beyond termination of employment (except to the extent of coverage required under COBRA or any Kentucky state law equivalent).

(d) None of Transferor, the Facilities nor any affiliate thereof has been liable at any time for contributions to (i) a plan that is or has been at any time subject to Section 412 of the Code, Section 302 of ERISA and/or Title IV of ERISA; (ii) a multiemployer plan (as defined in Section 3(37) or Section 4001(a)(3) of ERISA); or (iii) a multiple employer welfare arrangement (as defined in Section 3(40) of ERISA).

(e) Except as set forth on Schedule 4.16(e), there are no actions, audits or claims pending or, to Transferor's knowledge, threatened against Transferor with respect to Transferor's maintenance of the Plans, other than routine claims for benefits and other claims.

(f) All Plans have at all times been "governmental plans" as defined in Code Section 414(d) and Sections 3(32) and 4021(b)(2) of ERISA, and satisfy all requirements necessary to be governmental plans in all material respects.

(g) With respect to the Pension Plan, the funded status is accurately reflected and disclosed on Schedule 4.16(g) in a manner consistent with applicable accounting standards, and determined and disclosed as of the date set forth in Schedule 4.16(g) and as of the Closing Date (in the event that all benefits have not been distributed from the Pension Plan by the Closing Date).

Except as set forth on Schedule 4.17, Transferor has no written employment contracts, and no agreement of any nature that provides for employment for any particular period of time or that provides any restrictions upon Transferor's right to terminate employment without any post-termination payment obligation, with any Person whomsoever relating to the Facilities. Other than in the ordinary course of business and/or as set forth on Schedule 4.17, no binding agreements have been made or entered into between Transferor and any current employee involved in any of the Facilities regarding changes in compensation, promotion or any other change in status.

(c) Transferor is in full compliance with all accreditation standards of the Joint Commission and other applicable accrediting organizations with respect to any pre-employment screenings, background checks, verifications, and credentialing requirements for all Transferor employees as of the Closing. 6.4 Notification of Certain Matters.

(a) At any time from the date of this Agreement to the Closing Date, Transferor shall give prompt written notice to Transferee of (i) the occurrence, or failure to occur, of any event that has caused any representation or warranty of Transferor contained in this Agreement to be untrue in any material respect, (ii) any failure of Transferor to comply with or satisfy, in any material respect, any covenant, condition or agreement to be complied with or satisfied by it under this Agreement, and (iii) any material Environmental Condition of which Transferor is aware as to any of the Real Property or of any actions or notices described in Section 4.20. Transferor and Transferee shall communicate with each other in a reasonable manner, coordinate and provide each other the opportunity to comment written responses and, subject to any advisable confidentiality restrictions, provide copies of documents and correspondence relating to the transactions contemplated hereby to be submitted to any of the Governmental Entities prior to such submission.

(b) To the extent that any Approval of a third party with respect to any Assumed Contract is required in connection with the transactions contemplated by this Agreement, Transferor shall use commercially reasonable efforts to obtain such Approval prior to the Closing Date and Transferor shall continue to do so after Closing for any Approvals not obtained at Closing. In addition, if any Encumbrance and/or Real Property Encumbrance, other than a

Permitted Encumbrance, is asserted against the Real Property through or under or pursuant to any act or omission of Transferor or any of its Affiliates after the date of this Agreement but prior to Closing, Transferor shall obtain the release of such Encumbrance and/or Real Estate Encumbrance prior to Closing.

(c) Without limiting the provisions of Section 6.4(a) above, Transferor and Transferee shall file, if and to the extent required by applicable law, all reports or other documents required or requested by governmental agencies or under the antitrust laws of the Kentucky and the United States and/or concerning the transactions contemplated by this Agreement, and comply promptly with any requests by the governmental agencies for information concerning such transactions, so that governmental agencies in Kentucky and the United States have been provided all information they have reasonably requested concerning such transactions. Transferor and Transferee shall furnish to the other Party, as applicable, such information as the other Party reasonably requires to perform its obligations pursuant to the laws of Kentucky and the United States and shall exchange drafts of the relevant portions of each other's report forms or other filings or responses prior to filing. Transferor and Transferee hereby acknowledge and agree that the transactions contemplated herein are exempt from the requirements of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, (Section 87A of the Clayton Act), 15 U.S.C. 18a, as a transfer from a political subdivision of a state (pursuant to 15 U.S.C. 18a(c)(4)).

(d) Transferor shall, at its sole expense and its capacity as a governmental entity, comply with the Laws of Kentucky, including but not limited to Ky. Rev. Stat. §§ 67.080 and 67.0802, with respect to notice and the manner of disposition, sale or conveyance of any of the Transferred Assets contemplated pursuant to this Agreement. At or prior to Closing, Transferor shall (i) provide Transferee with a good faith opinion of counsel of the County Attorney reasonably acceptable to Transferee, its counsel and the Title Company confirming such compliance; and (ii) take other steps or actions reasonably requested by Title Company or Transferee or its counsel that are mutually agreed upon to further ensure such compliance.

6.6 Restricted Funds.

Transferor represents and covenants that attached hereto as Schedule 6.6 is a list of all funds received and held by or on behalf of Transferor in the nature of grants, donations, contributions, bequests or trusts, which funds are restricted or conditioned as to their use by or for the benefit of the Hospital or the Transferred Assets ("Restricted Funds"). Schedule 6.6 further indicates the amounts, source and nature of the restrictions or conditions relating to all such Restricted Funds. At Closing, such Restricted Funds shall be assigned and transferred to Transferee in accordance with all applicable Laws and subject to any limitations imposed on any such Restricted Funds; and Transferee agrees to use such Restricted Funds in accordance with the restrictions and conditions imposed thereon, as disclosed on Schedule 6.6; or if such restrictions or conditions cannot be complied with by the Transferee or such restrictions or conditions are not modified by a court so as to permit Transferee's use of such Restricted Funds, then such Restricted Funds shall be returned to donors or otherwise used or disposed of in a manner and for such purposes as are satisfactory to the donors or the court. Transferor will direct and transfer of record (whether by transfer of physical possession or otherwise) all of Transferor's right, title and interest in all bequests, trusts or other donations required to be used at or for the benefit of the Hospital or Transferred Assets of which Transferor becomes aware or receives after Closing to Transferee

("Future Donor Restricted Funds"), and such Future Donor Restricted Funds shall be the sole, exclusive and absolute property of Transferee, subject, however to the restrictions or conditions imposed by the donors.

6.7 Additional Financial Information.

Within thirty (30) days following the end of each calendar month prior to the Closing Date, Transferor will deliver to Transferee, copies of the unaudited balance sheets and the related unaudited income statements of Transferor for each month then ended. Such financial statements shall have been prepared in accordance with GAAP, the balance sheets contained therein shall fairly present in all material respects the financial position of the Transferor at the date of such balance sheet and the income statements contained therein shall present fairly in all material respects the results of operations of the Transferor for the period indicated (subject to audit).

6.8 Transferor Insurance.

(a) Except for directors and officers liability and fiduciary liability insurance, the Parties anticipate that Transferor will terminate its liability insurance at Closing. Subject to further due diligence which the Parties will conduct after the date hereof but prior to the Funding Date, the Parties anticipate that Transferor will acquire the following commercially reasonable liability insurance coverage at Transferee's expense and subject to Transferee's consent (collectively "Post-Closing Insurance"):

(i) Transferor agrees to purchase on behalf of its directors and officers and Transferor, a six (6) year extended reporting period endorsement at consistent limits to its directors and officers liability insurance policy, effective the date of Closing; and

(ii) Transferor will maintain its existing fiduciary liability insurance coverage after Closing, with such coverage terminating and a six (6) year extended reporting endorsement with consistent limits being obtained promptly after County's receipt of a determination letter from the IRS that the Pension Plan has been terminated; and

(iii) Transferee agrees to obtain general, professional and other liability insurance at consistent limits reasonably acceptable to Transferor to cover claims made that arise from all applicable periods prior to Closing, but after the retroactive date in each respective liability policy of the Transferor. Transferor consents to such coverage being obtained through Transferee's liability insurance trust.

(b) Neither party shall unreasonably withhold, condition or delay any consent or approval pursuant to this Section 6.8. Transferor and Transferee shall reasonably cooperate with each other in obtaining such Post-Closing Insurance described in this Section 6.8 and either Transferor or Transferee shall be entitled to terminate this Agreement pursuant to Section 10.2 in the event that such Post-Closing Insurance is not obtained in compliance with this Section 6.8. For purposes of this Section 6.8, references to insurance shall include commercial insurance, insurance trusts, captive arrangements, reciprocal exchanges, risk retention groups and other commercially reasonable insurance or self-insurance arrangements or programs.

6.9 No Discussion.

Transferee has expended and contemplates further expenditures of substantial time and sums of money in connection with legal, accounting and due diligence work to be performed in conjunction with the transactions contemplated pursuant to this Agreement. Until the proper termination of this Agreement, Transferor will not, whether directly or indirectly, initiate, solicit, encourage, or respond to (in any substantial way) any inquiries or proposals or enter into or continue any discussions, negotiations, understandings, arrangements or agreements relating to: (i) any sale, exchange, issuance, transfer, merger or other disposition of any significant portion of the assets which are associated with or used in connection with the operation of the Hospital; (ii) any management, lease or similar arrangement in connection with the business and operation of the Hospital; or (iii) provide any assistance, information or data to, or otherwise cooperate or have discussions with, any other person or entity in connection with any such inquiry, proposal or transaction. Transferor will promptly notify Transferee by telephone and thereafter confirm in writing, if any such discussions or negotiations are sought to be initiated with, or any such proposal or possible proposal is received by, Transferor. In the event such a proposal is received by Transferor, Transferor will promptly notify any such third party of the existence of this exclusivity covenant and of Transferor's unwillingness to discuss any other proposed transaction until this Agreement is terminated.

6.10 Title Insurance and Survey.

Transferee shall have received commitments from a title insurance company reasonably acceptable to Transferee ("Title Company") to issue as of the Closing Date ALTA owner's policies of title insurance, with extended coverage and zoning endorsements, for the Owned Real Property, in each case in amounts equal to the reasonable value assigned to such Owned Real Property by Transferee and in the customary form prescribed for use in Kentucky (collectively, the "Title Policy"). Transferee shall, within twenty (20) business days from the date Transferee receives such commitments, notify Transferor in writing of any title exceptions or defects pertaining to such Owned Real Property to which Transferee objects and provide copies of documentation as to such matter. Not less than thirty (30) days after receiving Transferee's notice, Transferor shall notify Transferee in writing of any such exceptions to title or defects in title which Transferor is unable to (or chooses not to) cause to be removed or insured against prior to or at Closing. With respect to such exceptions or defects and prior to the Funding Date, Transferee shall elect, by giving written notice to Transferor within twenty (20) days thereafter, whether to (x) terminate this Agreement or (y) consummate the Closing with respect to all Transferred Assets and Assumed Liabilities. Transferor agrees to deliver any information and documentation as may be reasonably required by Title Company under the requirements section of the title insurance commitment or otherwise in connection with the issuance of the Title Policy. Transferor also agrees to provide an owner's affidavit of title and/or such other information as Transferee's title insurance company may reasonably require in order for the title insurance company to delete the "standard exceptions" from the Title Policy and to insure over the "gap" (i.e., the period of time between the effective date of the Title Company's last check-down of title to such Owned Real Property and the Closing Date). Transferee shall also have received as-built ALTA surveys of the Owned Real Property (or so much of the Owned Real Property Transferee elects to have surveyed) reasonably acceptable to Transferee reflecting all improvements visible on the Owned Real Property and all easements and rights of way of record on the Owned Real Property and all Owned Real Property subject to the

Beneficial Rights ("Survey"). The Survey shall be certified to Transferee and to the Title Company. The costs of such Title Policy and Survey shall be borne entirely by Transferee.

6.11 Pension Plan.

(a) Transferor represents HMH's actuary calculated the plan liabilities of the Pension Plan on a termination basis, based on reasonable actuarial assumptions and frozen benefits as of February 28, 2018 and projected to July 1, 2018, and the plan assets value for the Pension Plan as of January 31, 2018. Transferor provided such calculations to Transferee.

(b) Transferor represents that: (i) on or before May 22, 2018, the Board of Trustees of HMH shall have adopted resolutions and an amendment to the Pension Plan providing for a permanent "hard" freeze of benefit accruals effective not later than May 31, 2018 and for the termination of the Pension Plan with a termination date that is not later than May 31, 2018; and (ii) on or before August 1, 2018 or such other date that is mutually agreed by the Parties, HMH shall have filed an application with the Internal Revenue Service for a favorable determination letter on the termination of the Pension Plan. In addition, Transferor represents that HMH (the County after Closing) shall respond to requests for information from the Internal Revenue Service relating to the determination letter application and to execute one or more technical amendments to the Pension Plan if required by the Internal Revenue Service as a condition of the Internal Revenue Service for issuance of a favorable determination letter on the termination of the Pension Plan.

(c) Transferor shall take all actions that are necessary or appropriate to terminate the Pension Plan as a "governmental plan" within the meaning of Section 414(d) of the Code and Sections 3(32) and 4021(b)(2) of ERISA, with a Pension Plan termination date that is not later than May 31, 2018. Except as otherwise provided in this Section 6.11(c), HMH shall implement and complete the distribution of all Pension Plan benefits to or on behalf of members (participants), beneficiaries and alternate payees of the Pension Plan not later than the day before the Closing Date, regardless of whether or not HMH has received a favorable determination letter from the Internal Revenue Service on the termination of the Pension Plan. For these purposes, implementing and completing distributions of Pension Plan benefits not later than the day before the Closing Date includes, without limitation, (i) completing a cash or direct rollover of a lump sum distribution to each member, beneficiary or alternate payee who elects a cash or direct rollover of a lump sum distribution; (ii) if permitted by the Pension Plan, completion of an automatic rollover to an IRA selected by Transferor of a lump sum distribution on behalf of a member with a vested account balance of \$5,000 or less and who is not receiving pension benefits at the time of distribution and does not timely return to Transferor a properly completed cash or rollover election, even if such member has not been located by Transferor; (iii) to the extent permitted by the terms of the Pension Plan, making a cash (not a direct rollover) lump sum distribution to each member, beneficiary or alternate payee who does not elect a cash or direct rollover of a lump sum distribution; and (iv) completing the purchase of an annuity from an insurance carrier for each member, beneficiary or alternate payee who (A) is receiving periodic pension benefits and is not given an opportunity to elect a lump sum distribution in lieu of future periodic pension benefits, and (B) has elected to receive, or who has been deemed to have been elected to receive, periodic pension benefits and who has not timely elected a lump sum distribution in lieu of future periodic pension benefits. Transferor agrees to use its best efforts and professional diligence to implement

and complete the distribution of all Pension Plan benefits not later than the day before the Closing Date. The following is the only exception to the timing of distributions covenant in this Section 6.11(c): If, due to unforeseen circumstances and despite the best efforts and professional diligence of Transferor, certain distributions of Pension Plan benefits which have been initiated are not fully completed (not perfected) by the day before the Closing Date, Transferor agrees to cause the County to continue to serve as the sponsor and administrator of the Pension Plan and to undertake the remaining steps necessary to fully complete such distributions of Pension Plan benefits as soon as administratively possible on or after the Closing Date.

(d) In connection with Transferor's obligations under this Section 6.11, Transferee will provide County with reasonable access to the knowledge of individuals in Transferee's employ who assisted in the administration of the Pension Plan prior to the Closing Date and reasonable access to any records relating to the Pension Plan that reside with Transferee after the Closing Date; provided, however, nothing in this Section 6.11 or any other provision of this Agreement, or otherwise, is intended, and shall not be construed, to make the Transferee or Baptist, or any affiliate of Transferee or Baptist, an administrator or sponsor of, or a contributor to, the Pension Plan, or to otherwise obligate Transferee or Baptist, or any affiliate of Transferee or Baptist, to maintain the Pension Plan or fulfill Transferor's obligations hereunder. Transferee's post-Closing obligations with respect to the Pension Plan are addressed in Sections 2.3(h), 2.4(d), 6.8, and this 6.11 and in Article 11.

(e) Transferor shall only use funds within the Escrow Account or Excluded Assets to fulfill any direct funding obligations for the Pension Plan pursuant to this Section 6.11.

6.12 ACO Participation

Transferor represents and warrants that Transferor and certain of Transferor's employed Physicians, as disclosed to Transferee (collectively, the "ACO Participants") are currently participating providers with Western Kentucky ACO in the Medicare Shared Savings Program and potentially other governmental and commercial plans or networks. Transferor shall submit written notifications to Western Kentucky ACO no later than June 1, 2018 that the ACO Participants will no longer participate in any accountable care organizations, plans or networks with Western Kentucky ACO effective at the conclusion of Western Kentucky ACO's current plan year with the Medicare Shared Savings Program. Transferor will promptly, but no later than June 30, 2018, provide Transferee with a copy of such notice(s), confirmation of Western Kentucky ACO's notice to CMS of such participation modifications, and any other related correspondence. Transferor will reasonably cooperate with efforts by Transferee to add some or all of the ACO Participants as participating providers in the Baptist ACO effective after Closing and pursuant to such timeframes as determined by Transferee.

7. CONDITIONS PRECEDENT TO OBLIGATIONS OF TRANSFEE.

The obligations of Transferee hereunder are subject to the satisfaction, on or prior to the Funding Date, of the following conditions unless agreed in writing by Transferee to be completed prior to the Closing Date or waived in writing by Transferee:

7.1 Compliance With Covenants.

Transferor shall have in all material respects performed all obligations and complied with all covenants and conditions required by this Agreement to be performed or complied with by it at or prior to the Funding Date.

7.2 Pre-Closing Confirmations.

Transferee shall have obtained documentation or other evidence reasonably satisfactory to Transferee that Transferee has:

(a) received all required Approvals and Permits from all Governmental Entities whose approval is required to consummate the transactions herein contemplated and for Transferee to lawfully own and operate the Facilities with valid Medicare and Medicaid provider agreements, except for any such Approvals and Permits the failure of which to obtain would not have a Material Adverse Effect on the business, financial condition or results of operations of the Transferred Assets, taken as a whole; and

(b) received all legally or contractually required consents to the assignments and assumptions of the Material Assumed Contracts and estoppel certificates from lessors and lessees of the Transferor confirming that rent has been paid through a current date and that they are unaware of any default under such leases.

7.3 Action/Proceeding.

No court or any other Governmental Entity shall have issued an order restraining or prohibiting the transactions herein contemplated; and no Governmental Entity shall have commenced or threatened in writing to commence any action or suit before any court of competent jurisdiction or other Governmental Entity that seeks to restrain or prohibit the consummation of the transactions herein contemplated or otherwise seeks a remedy which would materially and adversely affect the ability of Transferee to enjoy the full use and enjoyment of the Transferred Assets.

7.4 Title Policies and Survey.

The Title Company shall have agreed to issue the Title Policy insuring Transferee's fee simple title in and to the Owned Real Property and Transferee's interest in the Beneficial Rights, showing no exceptions other than the Permitted Encumbrances together with such endorsements to such Title Policy as Transferee deems necessary in its sole discretion and at its sole cost. Further, the Survey shall not reflect any Real Property Encumbrances other than the Permitted Encumbrances and shall otherwise be acceptable to the Title Company for purposes of providing "survey coverage" in and/or deleting the preprinted survey exception from Schedule B-2 of the Title Policy. Transferor shall have executed and delivered the Title Company's required form of Owner's Affidavit attached as Exhibit I to enable the Title Company to issue an "extended coverage" Title Policy free of the Schedule B-2 pre-printed exceptions, except for matters shown on the Survey acceptable to Transferee.

9. TRANSITIONAL ARRANGEMENTS.

9.1 Collection Procedure for Government Patient Receivables.

Transferor hereby appoints Transferee, and Transferee agrees to act, as Transferor's collection agent with respect to the Government Patient Receivables relating to the rendering of services and provision of medicine, drugs and supplies by Transferor ("Transition Services") to patients admitted to a Facility on or before the Closing Date but from whom payment has not been received ("Transition Patients"). Transferee shall forward to Transferor any and all correspondence relating to Transferor Cost Reports within five (5) business days after receipt by Transferee. Transferee shall be entitled to any funds relating to Transferor Cost Reports and if Transferor receives any such funds, it will promptly forward them to Transferee within five (5) business days after receipt by Transferor; and Transferee shall be responsible for any demands for payment relating to such Transferor Cost Reports and if Transferor receives any such demands for payment, it will forward to Transferee such demand for payments within five (5) business days after receipt by Transferor.

9.3 Employees.

(a) The term "Employee" as used in this Agreement means any employee of the Transferor who accepts employment with Transferee as of the Closing Date. Effective as of the Closing Date, Transferor shall terminate all employees of the Facilities, and (i) in reliance upon Transferor's representations and covenants in Sections 4.17(c) and 6.1(b), and (ii) subject to the applicant complying with Transferee's human resources policies and procedures, Transferee shall offer employment to all non-contracted Facility employees at their existing rates of compensation with Transferor immediately prior to termination, to take effect at Closing. Transferee shall employ a sufficient number of Employees for at least a 90-day period following the Closing Date with the intent as not to constitute a "plant closing" or "mass layoff" (as those terms are used in the Worker Adjustment and Retraining Notification Act, 29 U.S. Stat. § 2101 et. seq.) with respect to any of the Facilities.

(b) Non-contracted Employees shall remain employees-at-will, subject to Transferee's rights as employer under applicable law. Employees that are parties to Assumed Contracts shall be retained subject to the respective terms of such contracts. When determined by Transferee, Transferee shall provide Employees with those employee benefits offered to other similarly situated Baptist employees. Transferee shall recognize the years of service and provide service credit to all Employees consistent with Transferor's past practice for recognizing such service, including calculation of Transferee's service-based formula to determine the applicable tier to be

used in Transferee's retirement accumulation plan, and for purposes of any employee benefit plan or program maintained by Baptist and/or its Affiliates in which such Employee participates or is eligible to participate, including any qualified or non-qualified retirement or savings plan, health and welfare plan, or paid time off, holiday, or severance plan or policy. Transferee shall determine the timing and process for all Employees (and their eligible spouses and dependents) who, given their service credit as defined above, have met the age and service requirements for participation in the respective plan or program maintained by Transferee and/or its Affiliates. Additionally, each Employee may elect (i) to have all of his/her accrued unused paid time off paid out to such Employee when Transferee transitions all Employees to Transferee's human resources information system, or (ii) to carry over or receive credit for his/her accrued unused paid time off for use with respect to such Employee's employment with Transferee. Transferee shall assume Transferor's extended illness bank (EIB) and carry over any accrued hours. Transferee will maintain the Transferor's health and welfare Plans identified on Schedule 9.3(e)(2) through the 2019 Plan year. Notwithstanding anything contained herein to the contrary and except as set forth in Sections 9.3(e) and 9.3(g), nothing contained herein shall be construed to restrict Transferee's future ability after the Closing to amend, modify or terminate future benefit offerings as it sees fit in its sole discretion.

(c) Transferee will maintain the Transferor's health Flexible Spending Account benefit and/or dependent care Flexible Spending Account benefit (collectively, "FSA") under the Transferor's cafeteria plan ("Transferor's FSA") for its 2019 plan year. Transferee may offer Employees the opportunity to become participants in the FSA maintained by Baptist and/or its Affiliates ("Transferee's FSA") for a future plan year. At or prior to Closing, Transferor will provide Transferee with a current list of the Transferor's FSA participants reflecting their effective dates of participation during the 2019 plan year, withholding elections, year to date contributions, year to date claims submitted, year to date claims reimbursed and FSA account balances. As soon as practicable after Closing, but in all events within thirty (30) days following the Closing Date, Transferor will update such information on Transferor's FSA to Transferee as of the Closing Date.

(d) Transferee agrees to provide continuing health benefit coverage under Transferor's continuation of coverage program, and after the termination of Transferor's continuation of coverage program or as otherwise determined by Transferee, then under Transferee's or its Affiliate's continuation of coverage program, to any Continuation of Coverage Beneficiaries with respect to the Transferor's applicable Plans. The term "Continuation of Coverage Beneficiaries" as used in this Agreement means employees or former employees of the Transferor (and their eligible spouses and dependents) identified on Schedule 9.3(d) who are receiving or are entitled to receive COBRA continuation coverage prior to Closing under an applicable Plan or who become entitled to receive COBRA continuation coverage under an applicable Plan with respect to the transactions contemplated by this Agreement. Notwithstanding the foregoing, in the event that Transferor (County or any other entity on behalf of Transferor) (each a "COBRA Indemnatee") shall be obligated to provide COBRA continuation coverage to any Continuation of Coverage Beneficiaries, Transferee shall reimburse each such COBRA Indemnatee for any and all expenses incurred thereby (including, claims incurred under a self-insured group health plan, administrative fees, insurance or reinsurance premiums, etc.) by such COBRA Indemnatee under any group health plans of such COBRA Indemnatee in excess of the premiums collected from the Continuation of Coverage Beneficiaries and any actual reinsurance recoveries to the extent attributable to COBRA continuation coverage provided to the Continuation of Coverage Beneficiaries, and each such COBRA Indemnatee shall invoice Transferee monthly with respect to such expenses and

Transferee shall be obligated to make full payment of each such invoice within thirty (30) days of the date of receipt of such invoice.

(e) Transferee shall maintain, without amendment or any other material change, that certain Retiree Medical Plan Policy of Transferor, a copy of which is attached hereto as Schedule 9.3(e) and incorporated herein by reference, until such time as those participants who are currently participating as of the Closing and those who are eligible for regular or partial coverage as of the Closing have exhausted their benefits thereunder.

(f) Notwithstanding any other provision of this Agreement to the contrary and subject to complying with Transferee's human resources policies and procedures, Transferee will ensure that the members of the Transferor's senior executive team will each continue in their current positions of leadership with the Hospital, which may be modified to be consistent with Transferee's management structure, as either at-will employees or subject to the terms of a contractual arrangement or Transferee's rights as employer under applicable law.

(g) Notwithstanding any other provision in this Agreement to the contrary, during the first twelve (12) months following the Closing Date, the Transferee shall comply with those certain transition plans and policies identified within Schedule 9.3(g), as the same exist as of the date hereof, with respect to Employees.

(h) To the extent HMH has not made bonus payments prior to Closing, Transferee agrees to make payments to Employees consistent with the policies, plans, agreements, limitations, terms and conditions set forth or described in Schedule 9.3(h).

9.4 Hospital Medical Staff.

At Closing, Transferee will (i) adopt the Hospital's medical staff bylaws, rules and regulations subject to confirmation that such bylaws, rules and regulations conform with applicable laws and regulations and national and regional norms (provided that the foregoing shall not prevent Transferee from proposing new bylaws); and (ii) begin working with the medical staff and medical executive committee to review the Hospital's existing bylaws and the medical staff bylaws, rules and regulations of a Baptist hospital Affiliate in an effort to develop a single set of bylaws for the Hospital for medical staff approval, recognizing that there are some material differences in classifications and delineation of privileges. Transferee agrees that the Hospital's medical staff members and other practitioners with clinical privileges in good standing as of the Closing shall maintain such medical staff membership and clinical privileges immediately following the Closing and Transferee will honor the respective terms of appointment of such Members and practitioners. The foregoing will not limit the ability of Transferee to (A) modify the bylaws rules and regulations to comply with applicable laws and regulations, or (B) grant, withhold, or suspend medical staff appointment or clinical privileges in accordance with the terms of the Hospital's medical staff bylaws after the Closing.

10. ADDITIONAL AGREEMENTS.

10.1 Allocation of Purchase Price.

(a) The Purchase Price will be allocated among the Transferred Assets in the manner required by the Code. The fair market values and the allocation will be agreed to by Transferee and Transferor prior to the Closing Date.

(b) Transferee will provide to Transferor copies of Form 8594 and any required exhibits thereto, consistent with the allocations in Section 10.1(a). In this regard, the Parties agree that, to the extent required, all tax returns or other tax information they may file or cause to be filed with any Governmental Entity shall be prepared and filed consistently with such allocation.

10.2 Termination Prior to the Funding Date/Effect of Termination.

(a) Anything herein to the contrary notwithstanding, except as set forth in Section 10.2(c) and subject to Section 10.2(d), this Agreement and the transactions contemplated by this Agreement may be terminated at any time prior to the time of the funding on the Funding Date: (i) by mutual consent in writing of Transferee and Transferor; (ii) by Transferee by written notice to Transferor in the event Transferee has not completed its due diligence activities to Transferee's sole and complete satisfaction; (iii) by either Transferor or Transferee pursuant to Section 6.8 or Section 12.18; (iv) by Transferee pursuant to Section 6.10; (v) by Transferee by written notice to Transferor if any event occurs or condition exists which causes one or more conditions to the obligations of Transferee to consummate the transactions contemplated by this Agreement as set forth in Article 7 to not be satisfied prior to the Funding Date; (vi) by Transferee if Transferor is in breach of any provision of this Agreement that has not been cured within thirty (30) days after written notice is provided to Transferor of such breach; (vii) by Transferee if HMH is suspended or excluded from participation in Medicare, Medicaid or Tricare; (viii) by Transferor if Transferee or any of its Affiliates is suspended or excluded from participation in Medicare, Medicaid or Tricare; or (ix) by Transferor if Transferee is in breach of any material provision of this Agreement that has not been cured within thirty (30) days after written notice is provided to Transferee of such breach.

(b) In the event that this Agreement shall be terminated pursuant to Section 10.2(a), all further obligations of the Parties under this Agreement shall terminate without further liability of any Party to another, with the exception of provisions that expressly survive termination and Section 10.2(d), Section 12.2, Section 12.3, Section 12.4, Section 12.6, Section 12.7, Section 12.8, Section 12.10 and Section 12.14.

(c) Anything herein to the contrary notwithstanding, the Transferor and Transferee hereby acknowledge and agree that this Agreement may not be terminated at any time by either Party after the time of funding on the Funding Date or after the Funding Date, except by Transferee (i) pursuant to Section 10.3, or (ii) for any of the reasons specified in Section 10.2(a)(ii)-(iii) and subject to Section 10.4.

(d) In the event that this Agreement is terminated by Transferee after the Funding Date for any reason except as otherwise specified in Section 10.3, or the Closing does not occur after the Funding Date for any reason not specified in Section 10.3, the Transferor shall be immediately entitled to the Escrow Amount and such Escrow Amount shall be released by the Escrow Agent to the Transferor immediately upon wire transfer to Transferor in accordance with the Escrow Agreement. At Closing, Transferor shall be immediately entitled to the Escrow Amount and such

Escrow Amount together with accrued interest shall be released from the Escrow Agent to the Transferor immediately upon wire transfer to Transferor in accordance with the Escrow Agreement.

(e) In the event that the Closing does not occur by December 31, 2019, then Transferor shall have the right to terminate this Agreement at any time; provided, that such termination shall not impact Transferor's right to receive the Escrow Amount if the Transferor has fulfilled all of its obligations pursuant to Article 7 on the Funding Date and is prepared to deliver all items described in Section 3.2.

10.3 Termination Prior to the Closing Date/Effect of Termination.

In the event this Agreement is terminated after the Funding Date and prior to the Closing Date by Transferee pursuant to Section 10.2(a)(v) (if and to the extent Transferee and Transferor agree in writing that one or more Article 7 conditions may be satisfied after the Funding Date but on or prior to Closing), Section 10.2(a)(vi), or Section 10.2(a)(vii), then (i) Escrow Agent shall promptly remit the entire principal and all accrued interest in the Escrow Account to Transferee and Transferor shall have no right or claim to the Escrow Amount; and (ii) Transferor shall, within thirty (30) days of such termination, pay Transferee the difference in the sum of all prior deposits made by Transferee to the Escrow Account and the total amount paid by Escrow Agent to Transferee pursuant to this Section 10.3. Interest shall accrue at the rate of six percent (6%) per annum of any unpaid sums pursuant to this paragraph and Transferee shall be entitled to reasonable costs of collection.

10.4 Escrow Account.

The Escrow Account shall be established and funded by Transferee with the Escrow Amount and held by the Escrow Agent on the business day prior to the Funding Date pursuant to a mutually agreed upon escrow agreement ("Escrow Agreement") to secure the obligations of the Transferee pursuant to this Agreement. The Escrow Amount and Escrow Account are integral and material parts of this Agreement, and the Parties would not have entered into the Agreement without the certainty of both. The Escrow Amount is calculated based only on the direct funding expenses of the Pension Plan as a governmental plan and the Escrow Account will serve as the sole source of funding for Transferor to fully fund the Pension Plan for purposes of carrying out Transferor's obligations pursuant to Section 6.11. The Escrow Amount will be released to Transferor on the Funding Date for the sole purpose of funding the Pension Plan pursuant to Section 6.11(e).

10.5 Post-Closing Access to Information.

Transferee and Transferor acknowledge that, subsequent to Closing, Transferee and Transferor may each need access to information, documents or computer data in the control or possession of the other, and Transferor may need access to the Transferred Assets or the Facilities for the purpose of concluding the transactions contemplated herein and for audits, investigations, compliance with governmental requirements, regulations and requests, and the prosecution or defense of third party claims. Accordingly, Transferee agrees that it will make available to Transferor and its agents, independent auditors and or Governmental Entities such documents and

information as may be available relating to the Transferred Assets and Facilities in respect of periods prior to Closing and will permit Transferor to make copies of such documents and information. Transferor agrees that it will make available to Transferee and its agents, independent auditors and or Governmental Entities such documents and information as may be available relating to the Transferred Assets and Facilities in respect of periods prior to Closing and will permit Transferee to make copies of such documents and information.

10.6 Reproduction of Documents.

This Agreement and all documents relating hereto may be copied or reproduced by Transferor and by Transferee, and Transferor and Transferee may destroy any original documents so reproduced. Transferor and Transferee agree and stipulate that any such reproduction shall be admissible in evidence as the original itself in any judicial, arbitral or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by Transferor or Transferee in the regular course of business) and that any facsimile or further reproduction of such reproduction shall likewise be admissible in evidence.

10.7 Consented Assignment.

Prior to Closing, Transferor shall use best efforts to obtain consents to assignment to those Assumed Contracts for which consent to assignment is contractually required, and Transferee will use its commercially reasonable efforts to assist Transferor. It shall be a condition precedent to Transferee's obligations pursuant to Section 7.2 that such consents to the assignment of each Material Assumed Contract shall have been obtained prior to the Funding Date. If such consent to assignment of a Material Assumed Contract is not obtained but Transferee nonetheless elects to proceed with funding the Escrow Account, then the condition precedent that the consent to the assignment of such Material Assumed Contract be obtained shall be deemed to have been modified by Transferee so that Transferor shall assign such Material Assumed Contract to Transferee at Closing.

10.8 Non-Competition.

(a) In partial consideration of Transferee's agreement to assume and agree to pay the Purchase Price and pay, perform and discharge when due, and hold the County harmless from and against the Assumed Liabilities, including, without limitation all known and unknown obligations and liabilities accruing under or arising out of the Assumed Contracts, the Facilities and the Transferred Assets, the County agrees that without the Transferee's prior written consent, during the period commencing on the Closing Date and ending on the tenth (10th) anniversary of the Closing Date (the "Non-Compete Period") and so long as Transferee continues to operate a general acute care hospital in the County during the Non-Compete Period, the County shall not (i) engage in the operation of any Competing Business within the geographic boundaries of County (the "Territory"), or (ii) acquire, lease, own or be a shareholder, partner, member or equity holder of, exercise management control over, provide consulting services for, or acquire or maintain a controlling interest in, any Competing Business that is located in the Territory. For purposes of this Section, the term "Competing Business" means the business of hospitals, ambulatory surgical centers, medical clinics, imaging facilities, clinical labs, diagnostic clinics, nursing facilities, home

health agencies, hospices, physician practices, behavioral health centers and any and all other healthcare facilities and services.

(b) Notwithstanding the foregoing, the County may (i) sponsor or conduct public health and preventative health programs to promote the health and well-being of the County community, such as health fairs and vaccination and immunization programs, provided that during the Non-Compete Period Transferee will have a reasonable first opportunity to provide such services sponsored or conducted by the County if a third party is involved to do so; (ii) operate a public health department for the benefit of County residents, and the engaging in such noncompetitive community welfare programs is not prohibited under this Agreement; (iii) continue to operate an emergency medical service for the benefit of County residents; and (iv) provide employee health clinics to County employees, provided that during the Non-Compete Period Transferee will have a reasonable first opportunity to provide such services sponsored or conducted by the County if a third party is involved to do so. Moreover, this Section 10.8 shall not apply in the event that Baptist defaults on any payment due under the Note (as set forth in Section 2.5 of this Agreement) or fails to meet either of its Capital Commitments (as set forth in Section 10.10 of this Agreement).

(c) Transferor recognizes that the covenants in this Section 10.8, and the territorial, time and other limitations with respect thereto, are reasonable and properly required for the adequate protection of the acquisition of the Transferred Assets by Transferee, and agree that such limitations are reasonable with respect to its activities, business and public purpose. Transferor agrees and acknowledges that the violation of the covenants or agreements in this Section 10.8 would cause irreparable injury to Transferee and that the remedy at law for any violation or threatened violation thereof would be inadequate and that, in addition to whatever other remedies may be available at law or in equity, Transferee shall be entitled to temporary and permanent injunctive or other equitable relief without the necessity of proving actual damages or posting bond. The Parties hereto also waive any requirement of proving actual damages in connection with the obtaining of any such injunctive or other equitable relief. In addition to any injunctive relief or specific performance, Transferee may pursue such other remedies to which it may be entitled under applicable Law.

(d) It is the intention of each Party hereto that the provisions of this Section 10.8 shall be enforced to the fullest extent permissible under the Laws and the public policies of the Commonwealth of Kentucky, but that the unenforceability (or the modification to conform with such Laws or public policies) of any provisions hereof shall not render unenforceable or impair the remainder of this Agreement. Accordingly, if any term or provision of this Section 10.8 shall be determined to be illegal, invalid or unenforceable, either in whole or in part, this Agreement shall be deemed amended to delete or modify, as necessary, the offending provisions and to alter the balance of this Agreement in order to render the same valid and enforceable to the fullest extent permissible as aforesaid. If any provision of this Section 10.8 (or any element thereof) shall be determined to be overbroad as to geographical area, activity, or time covered, then the said geographical area, activity, or time covered may be either stricken or reduced by a court of competent jurisdiction to the extent such court deems reasonable, and this Section 10.8 may then be enforced as to such remaining portions and such reduced geographic area, activity, or time.

10.9 Hospital Name.

The name of the Hospital after the Closing shall be "Baptist Health Hardin" or such other name as selected by Transferee.

10.10 Capital Commitments.

(a) During the five (5) year period immediately following the Closing of the Transaction ("First Capital Period"), Baptist will spend or Commit to spend not less than \$150,000,000 in Capital Expenditures benefiting the Hospital and other Hospital-acquired facilities within the Hospital Service Area in a manner consistent with the strategic plan for the Central Kentucky Market, Transferee to provide a draft of such strategic planning process to Transferor within a reasonable period after the Effective Date (the "First Capital Commitment").

(b) During the five (5) year period immediately following the end of the First Capital Period ("Second Capital Period"), Baptist will spend or Commit to spend not less than \$85,000,000 in Capital Expenditures benefiting the Hospital and other Hospital-acquired facilities within the Hospital Service Area in a manner consistent with the strategic plan for the Central Kentucky Market (the "Second Capital Commitment" and, together with the First Capital Commitment, the "Capital Commitments"). Notwithstanding anything herein to the contrary, in the event Baptist's actual Capital Expenditures spent during the First Capital Period exceed the First Capital Commitment, such excess Capital Expenditures shall be credited to the Second Capital Commitment.

(c) Until the Capital Commitments have been satisfied, Baptist shall provide the Hardin County Judge Executive with an annual report (each a "Capital Commitment Report") reasonably describing Baptist's Capital Expenditures for the prior fiscal year, the Capital Expenditures planned for the current fiscal year, and the cumulative progress to date towards satisfying the Capital Commitments. Each Capital Commitment Report shall be delivered to the Hardin County Judge Executive no later than November 15th of each year. Baptist shall comply with any requests for information from the Hardin County Judge Executive that are reasonably necessary to confirm the accuracy of each Capital Commitment Report.

(d) If Baptist fails to satisfy the Capital Commitments by the end of the Second Capital Period, then: (i) the limitations on the County set forth in Section 10.8 shall terminate; and (ii) any difference between the Capital Commitments and the actual Capital Expenditures during the Total Capital Period shall be paid to the County no later than March 1, 2029.

(e) The Capital Commitments shall be reduced if and to the extent (i) after the date of this Agreement and prior to Closing, a material part or portion of the Transferred Assets is or has been damaged, condemned, lost or destroyed and such damage, condemnation, loss or destruction is uninsured and exceeds an aggregate amount of Ten Million and 00/100 Dollars (\$10,000,000); and/or (ii) Transferor incurs Capital Expenditures after the LOI Date that are in excess of the Capital Expenditures in the budget approved by Transferor on or prior to such date.

10.11 Hospital Administrative Board.

(a) After Closing, Baptist will appoint a Hospital Administrative Board ("Hospital Administrative Board") consisting of approximately eleven (11) members appointed by Baptist. In addition, the Baptist Chief Executive Officer or his designee will be an *ex-officio*, non-voting member of the Hospital Administrative Board. The President of the Hospital Medical Staff shall serve as one of the eleven (11) voting members of the Hospital Administrative Board. Physicians may be appointed to the Hospital Administrative Board. Baptist shall fill eight (8) of the eleven (11) initial Hospital Administrative Board seats with individuals nominated by Transferor and identified on Schedule 10.11. At least two Hospital Administrative Board members will include Baptist executives and/or current or former Baptist governing board members. Until the later of (i) such time that Baptist has paid the full Purchase Price (including any principal and interest due under the Note), (ii) such time that Baptist has completed each of its Capital Commitments, or (iii) ten (10) years, at least a majority (6 of 11) of the Hospital Administrative Board members shall be residents of the County.

(b) The initial Hospital Administrative Board will be identified on Schedule 10.11 at least ninety (90) days prior to the Closing Date and shall be staggered for one (1), two (2), three (3), and four (4) year terms. Members of the Hospital Administrative Board, other than members of the initial Board, shall serve four (4) year terms ("Term"). Members of the Hospital Administrative Board may serve two (2) consecutive Terms (the "Term Limit"). Board members shall be eligible for additional Terms beyond the Term Limit after one (1) year off the Hospital Administrative Board. Staggered terms shall be treated as full terms for purposes of calculating the Term Limit.

(c) In addition to those specific responsibilities of the Hospital Administrative Board required by The Joint Commission, the Hospital Administrative Board will be delegated the following by Baptist, as consistent with other Baptist Affiliate hospitals: (i) any duty or responsibility delegated by the Baptist Board of Directors; (ii) develop and monitor implementation of the Hospital Service Area strategic plan as part of Baptist's strategic plan for the Central Kentucky Market; (iii) participate in the review of the Hospital's capital and operating budgets and monitor the financial performance of the Hospital; (iv) implement major capital expenditures and monitor compliance with the Capital Commitments identified in Section 10.10; (v) credential members of the medical staff and other individuals providing patient care services including appointment, reappointment and granting and terminating medical staff clinical privileges; (vi) oversee the implementation of quality, risk management, patient safety, patient experience, and patient care activities consistent with goals established by the Baptist Board of Directors and by the Hospital Administrative Board; (vii) oversee community benefit activities, public relations, and community involvement; (viii) review and monitor the Hospital's community health needs assessment; (ix) support philanthropic efforts and planned giving; (x) monitor accreditation and licensing requirements for the Hospital; and (xi) monitor implementation of Baptist's compliance program at the Hospital.

10.12 Inmate Services.

Transferee shall provide medical services to uninsured County inmates at the County jail for twenty-five (25) years following the Closing. Such medical services will be provided at no

charge to the County, except that the total annual amount will be capped at \$150,000 in unreimbursed costs to the Transferee and Hospital, which cap shall be adjusted annually in direct proportion to the percent change in the CPI Index as measured from December to December of the immediately preceding year. For calculation purposes, the prior year's cap amount shall be the amount subject to adjustment. The costs of care will be determined using the overall Medicare cost to charge ratio from the Hospital's Medicare cost report. Any costs of care to such inmates exceeding the cap will be reimbursed by the County to Transferee. Any medical services provided to County inmates that are reimbursed in whole or in part by governmental and non-governmental payors or programs shall not be considered unreimbursed costs and shall not count against the annual cap.

10.13 New Baptist Market.

After Closing, Baptist will create a new "Central Kentucky Market" for Baptist comprised primarily of the Hospital Service Area and will operate the Central Kentucky Market with the goal of growing the services at Hospital and enhancing Hospital's position and reputation as a regional referral center.

10.14 Future Sale of Hospital.

The Parties intend for the transactions contemplated by this Agreement to establish a permanent relationship between the Hospital and Baptist, while acknowledging that the County is entering into such transactions on the basis of certain expectations regarding the continuing provision of services in the County and enhancing Hospital's position and reputation as a regional referral center pursuant to Section 10.13. Until the later of (i) such time that Baptist has paid the full Purchase Price (including any principal and interest due under the Note), or (ii) such time that Baptist has completed each of its Capital Commitments, neither Baptist nor any Affiliate shall sell the Hospital or substantially all of the Transferred Assets to a non-Baptist Affiliate ("Sale of Transferred Assets") without first offering the County the right to acquire such Transferred Assets on the same terms as set forth in the proposed bona fide offer that Baptist or its Affiliate intends to accept for such Transferred Assets (the "Repurchase Right"). The Repurchase Right shall be exercisable by County in writing to Baptist for a period of sixty (60) days following receipt by the County of notice regarding the proposed Sale of Transferred Assets. In the event that the County takes action to exercise the Repurchase Right, the parties shall work together in good faith to transition such Transferred Assets to control and operation by the County or its designee. In the event the County fails to provide notice to Baptist that County is exercising the Repurchase Right within sixty (60) days following County's receipt of any notice regarding the Proposed Sale of Transferred Assets, County shall have irrevocably waived such Repurchase Right and this Section shall no longer have any force or effect. A Sale of Transferred Assets shall not include any merger, change in control or member substitution of Transferee and its Affiliates, or a sale of substantially all of the assets of Transferee or any of its Affiliates where the Transferred Assets are only a part of a larger transaction.

11. INDEMNIFICATION AND REMEDIES.

11.1 Indemnification by Transferor.

Subject to and to the extent provided in this Article 11, Transferor shall indemnify and hold harmless Transferee and its respective members, shareholders, partners, directors, officers, employees, agents and affiliates (each, a "Transferee Indemnified Party") from, against and for any damages, claims, costs, losses, liabilities, expenses or obligations (including reasonable attorneys' fees and associated expenses) whether or not involving a third-party claim (collectively, "Losses") incurred or suffered by a Transferee Indemnified Party as a result of or arising from:

(a) any Losses attributed to the ownership, use and/or operation of the Transferred Assets by Transferor prior to the Effective Time to the extent that such Losses are not Assumed Liabilities;

(b) any breach of or inaccuracy in any representation or warranty made by Transferor in this Agreement;

(c) any breach of a covenant, obligation or agreement of Transferor in this Agreement;

(d) the Excluded Liabilities, the Excluded Contracts and the Excluded Assets;

(e) an Environmental Condition that existed prior to the Effective Time;

(f) any violation of any Law to the extent arising from acts or omissions prior to the Effective Time;

(g) any Transferor Cost Report, including terminating cost reports, or third-party payor programs, with respect to periods ending prior to the Effective Time, whether arising in connection with a "self-report" or otherwise; and

(h) items specified in Schedule 4.11(c).

Provided, however, that any and all of Transferor's obligations under this Article 11 with respect to such Losses shall be limited to having such Losses treated as Unindemnified Losses and therefore Capital Expenditures (as set forth in Section 1.1) and applied to the Capital Commitments (as set forth in Section 10.10).

11.2 Deductible for Transferee Losses.

Notwithstanding Section 11.1, Unindemnified Losses shall not include any Losses arising pursuant to Section 11.1 unless and until the aggregate amount of such Losses exceeds Fifty Thousand and 00/100 Dollars (\$50,000) (the "Basket"), at which time, Losses shall be treated as Unindemnified Losses from the first dollar.

11.3 Indemnification by Transferee.

Subject to and to the extent provided in this Article 11, Transferee ("Transferee Indemnitor") shall indemnify and hold harmless Transferor and its members, directors, officers, trustees and agents (each, a "Transferor Indemnified Party" and, together with the Transferee Indemnified Parties, the "Indemnified Parties") from, against and for any Losses incurred or

suffered by a Transferor Indemnified Party as a result of or arising from: (a) any breach of or inaccuracy in any representation or warranty made by Transferee in this Agreement; (b) any breach of a covenant, obligation or agreement made by Transferee in this Agreement; (c) the Assumed Liabilities; (d) the Assumed Contracts for events arising after Closing; and (e) any Losses attributed to the Transferee's ownership and operation of the Transferred Assets.

11.4 Deductible for Transferor Losses.

Transferee shall have no liability with respect to Losses arising pursuant to Section 11.2 unless and until the aggregate amount of such Losses exceeds the Basket, at which time, Transferee shall be responsible for all aggregate Losses arising from Section 11.2 from the first dollar.

11.5 Procedure for Indemnification – Non Third-Party Claims.

The Transferee Indemnified Parties or Transferor Indemnified Parties shall each be referred to as an "Indemnified Party." Whenever any claim shall arise for indemnification hereunder not involving a demand, claim, action or proceeding made or brought by a third party, including without limitation a government agency (a "Proceeding"), the Indemnified Party shall notify the indemnifying party promptly after such Indemnified Party has actual knowledge of the facts constituting the basis for such claim. The notice to the indemnifying party shall specify, if known, the amount or an estimate of the amount of the liability arising therefrom.

11.6 Procedure for Indemnification – Third-Party Claims.

(a) Promptly after receipt by an Indemnified Party of notice of the commencement of any Proceeding, such Indemnified Party will, if a claim is to be made against an indemnifying party pursuant to this Article 11, give notice to the indemnifying party of the commencement of the Proceeding, but the failure to notify the indemnifying party will not relieve the indemnifying party of any liability that it may have to the Indemnified Party, except to the extent that the indemnifying party demonstrates that the defense of such action is prejudiced by the Indemnified Party's failure to provide such notice.

(b) If any Proceeding is brought against an Indemnified Party and such Indemnified Party gives notice to the indemnifying party ("Claims Notice") of the commencement of such Proceeding, the indemnifying party will, unless the Proceeding involves Taxes, be entitled to participate in such Proceeding and, to the extent that it wishes (unless (i) the indemnifying party is also a party to such Proceeding and the Indemnified Party determines in good faith that joint representation would be inappropriate, or (ii) the indemnifying party fails to provide reasonable assurances to the Indemnified Party of its financial capacity to defend such Proceeding and provide indemnification with respect to such Proceeding), to assume the defense of such Proceeding with counsel satisfactory to the Indemnified Party and, after notice from the indemnifying party to the Indemnified Party of its election to assume the defense of such Proceeding, the indemnifying party will not, as long as it diligently conducts such defense, be liable to the Indemnified Party under this Section 11.6 for any fees of other counsel or any other expenses with respect to the defense of such Proceeding, in each case subsequently incurred by the Indemnified Party in connection with the defense of such Proceeding, other than reasonable costs of investigation. If the indemnifying party assumes the defense of a proceeding, (A) it will be conclusively established for purposes of

this Agreement that the claims made in the Proceeding are within the scope of and subject to indemnification in accordance with this Article 11; and (B) no compromise or settlement of such claims may be effected by the indemnifying party without the Indemnified Party's consent unless (I) there is no finding or admission of any violation of legal requirements or any violation of the rights of any person and no effect on any other claims that may be made against the Indemnified Party; (II) the sole relief provided is monetary damages that are paid in full by the indemnifying party; and (III) the Indemnified Party will have no liability with respect to any compromise or settlement of such claims effected without its consent. If notice is given to an indemnifying party of the commencement of any Proceeding and the indemnifying party does not, within ten (10) days after the Indemnified Party's notice is provided, give notice to the Indemnified Party of its election to assume the defense of such Proceeding, the indemnifying party will be bound by any determination made in such Proceeding or any compromise or settlement effected by the Indemnified Party.

(c) Notwithstanding the foregoing, if an Indemnified Party determines in good faith that there is a reasonable probability that a Proceeding may adversely affect it or its affiliates other than as a result of monetary damages for which it would be entitled to indemnification under this Agreement, the Indemnified Party may, by notice to the indemnifying party, assume the exclusive right to defend, compromise or settle such Proceeding, but the indemnifying party will not be bound by the determination of a Proceeding so defended or any compromise or settlement effected without its consent (which may not be unreasonably withheld). If the indemnifying party does not assume the defense of any claim or litigation, any Indemnified Party may defend against such claim or litigation in such manner as it may deem appropriate, including the settlement of such claim or litigation, after giving notice of the same to the indemnifying party, on such terms as the Indemnified Party may deem appropriate. The indemnifying party will promptly reimburse the Indemnified Party in accordance with the provisions hereof.

11.7 Payment.

All indemnification hereunder by Transferee shall be effected by payment of cash or delivery of immediately available funds to an account designated by the Indemnified Party in the amount of the indemnification liability. Any undisputed indemnification payments owing to Transferor shall be made within ten (10) days of the date on which the amount of a Loss is identified in writing to Transferee. All indemnification hereunder by Transferor shall be effected by treating such amounts as "Unindemnified Losses," as set forth in Section 11.1 above.

11.8 Survival.

Subject to Transferor's indemnification obligations being exclusively limited to being treated as "Unindemnified Losses" pursuant to Section 11.1 above: (a) the covenants and agreements of the Parties set forth herein shall continue to be fully effective and enforceable and survive Closing for the greater of (i) the period of time associated with such covenant, agreement or underlying representation, (ii) thirty (30) days after the applicable statute of limitations period, or (iii) six (6) years; (b) the representations and warranties of Transferor and Transferee contained within Sections 4.1-4.7 and Sections 5.1-5.4 shall survive Closing indefinitely; (c) the representations and warranties of Transferor and Transferee contained within Sections 4.11, 4.16, 4.18, 4.19, 4.20 and 4.21 shall survive Closing for thirty (30) days after the applicable statute of

limitations period; (d) all additional representations and warranties of Transferor and Transferee shall survive and continue to be fully effective and enforceable following the Closing for thirty-six (36) months and shall thereafter be of no further force and effect; and (e) if there is an outstanding Claims Notice at the end of a survival period, such applicable period shall not end in respect of such claim until such claim is resolved.

12. GENERAL.

12.1 Consents, Approvals and Discretion.

Except as herein expressly provided to the contrary, whenever this Agreement requires any consent or approval to be given by either Party or either Party must or may exercise discretion, the Parties agree that such consent or approval shall not be unreasonably withheld or delayed and such discretion shall be reasonably exercised.

12.2 Legal Fees and Costs.

In the event either Party elects to incur legal expenses to enforce or interpret any provision of this Agreement, the prevailing Party will be entitled to recover such legal expenses, including reasonable attorney's fees, costs and necessary disbursements, in addition to any other relief to which such Party shall be entitled.

12.3 Choice of Law.

(a) To the extent permitted by applicable law, the Parties agree that this Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Kentucky, without giving effect to any choice or conflict of law provision or rule thereof.

(b) In the event of a breach of any Party's obligation to consummate this Agreement or breach of any covenant by any Party to this Agreement, the non-breaching Party shall be entitled to enforce this Agreement as to such matters by injunctive relief and by specific performance, such relief to be without the necessity of posting a bond, cash or otherwise (unless required by applicable law).

12.4 Benefit; Assignment.

Subject to provisions herein to the contrary, this Agreement shall inure to the benefit of and be binding upon the Parties hereto and their respective legal representatives, successors and assigns. No Party may assign this Agreement without the prior written consent of the other Party, which consent shall not be unreasonably withheld; provided, however, that a Party hereto may assign its interest in this Agreement to an Affiliate, but in such event, the assignor shall be required to remain obligated hereunder in the same manner as if such assignment had not been effected.

12.5 Accounting Date.

The transactions contemplated hereby shall be effective for accounting purposes as of the Effective Time, unless otherwise agreed in writing by Transferor and Transferee. The Parties will use commercially reasonable efforts to cause the Closing to be effective as of a month end.

12.6 No Brokerage.

Except as to Transferor's relationship with Huron Transaction Advisory LLC, for which Transferor is solely liable, Transferor and Transferee represent to each other that no broker has in any way been contracted in connection with the transactions contemplated hereby. Each of Transferor and Transferee agrees to indemnify the other Party from and against all loss, cost, damage or expense arising out of claims for fees or commissions of brokers employed or alleged to have been employed by such indemnifying party.

12.7 Cost of Transaction.

Whether or not the transactions contemplated hereby shall be consummated and except as otherwise provided herein, the Parties agree as follows:

(a) Except as provided otherwise elsewhere herein, Transferor will pay the fees, expenses and disbursements of Transferor and its agents, representatives, accountants, and counsel incurred in connection with the subject matter hereof and any amendments hereto; and

(b) Except as provided otherwise elsewhere herein, Transferee shall pay the fees, expenses and disbursements of Transferee and its agents, representatives, accountants, and counsel incurred in connection with the subject matter hereof and any amendments hereto.

12.8 Public Announcements; Confidentiality.

It is understood by the Parties hereto that subject to applicable Law, the information, documents and instruments delivered to Transferee by Transferor or Transferor's agents and the information, documents and instruments delivered to Transferor by Transferee or Transferee's agents are of a confidential and proprietary nature. Each of the Parties hereto agrees that both prior and subsequent to Closing they will maintain the confidentiality of all such confidential information, documents or instruments delivered to them by each of the other parties hereto or their agents in connection with the negotiation of this Agreement or in compliance with the terms, conditions and covenants hereof and only disclose such information, documents and instruments to their duly authorized officers, directors, representatives and agents. Each of the Parties hereto further agrees that if the transactions contemplated hereby are not consummated, they will return all such documents and instruments and all copies thereof in their possession to the other Party to this Agreement. Each of the Parties hereto recognizes that any breach of this Section would result in irreparable harm to the other Parties to this Agreement and their Affiliates and that therefore either Transferor or Transferee shall be entitled to an injunction to prohibit any such breach or anticipated breach, without the necessity of posting a bond, cash or otherwise, in addition to all of their other legal and equitable remedies. Nothing in this Section, however, shall prohibit the use of such confidential information, documents or information for such governmental filings as are (i) required by Law or (ii) in the mutual opinion of Transferee's counsel and Transferor's counsel otherwise appropriate.

12.9 Waiver of Breach.

The waiver by either Party of breach or violation of any provision of this Agreement shall not operate as, or be construed to constitute, a waiver of any subsequent breach of the same or other provision hereof.

12.10 Notice.

Any notice, demand or communication required, permitted, or desired to be given hereunder shall be deemed effectively given when personally delivered, when received by telegraphic or other electronic means (including telecopy and telex) or overnight courier, or five (5) days after being deposited in the United States mail, with postage prepaid thereon, certified or registered mail, return receipt requested, addressed as follows:

12.11 Severability.

In the event any provision of this Agreement is held to be invalid, illegal or unenforceable for any reason and in any respect, such invalidity, illegality, or unenforceability shall in no event affect, prejudice or disturb the validity of the remainder of this Agreement, unless doing so would result in an interpretation of this Agreement that is manifestly unjust.

12.12 No Inferences.

Inasmuch as this Agreement is the result of negotiations between sophisticated parties of equal bargaining power represented by counsel, no inference in favor of, or against, either Party shall be drawn from the fact that any portion of this Agreement has been drafted by or on behalf of such Party.

12.13 Divisions and Headings.

The divisions of this Agreement into sections and subsections and the use of captions and headings in connection therewith are solely for convenience and shall have no legal effect in construing the provisions of this Agreement.

12.14 No Third-Party Beneficiaries.

Except as otherwise provided herein, the terms and provisions of this Agreement are intended solely for the benefit of Transferee and Transferor and their respective permitted successors or assigns, and it is not the intention of the Parties to confer, and this Agreement shall not confer, third-party beneficiary rights upon any other Person.

12.15 Entire Agreement; Amendment.

This Agreement supersedes all previous contracts and constitutes the entire agreement of whatsoever kind or nature existing between or among the Parties representing the within subject matter and no Party shall be entitled to benefits other than those specified herein. As between or among the Parties, no oral statement or prior written material not specifically incorporated herein shall be of any force and effect. The Parties specifically acknowledge that in entering into and executing this Agreement, the Parties rely solely upon the representations and agreements contained in this Agreement and no others. All prior representations or agreements, whether written or verbal, not expressly incorporated herein are superseded unless and until made in writing and signed by all Parties hereto. This Agreement may be executed in two or more counterparts, each and all of which shall be deemed an original and all of which together shall constitute but one and the same instrument. Facsimile and portable document format (pdf) signatures shall be treated as original signatures for purposes of this Agreement.

12.16 Knowledge.

Whenever any statement herein or in any schedule, exhibit, certificate or other documents delivered to any Party pursuant to this Agreement is made "to [its] knowledge" or words of similar intent or effect of any Party or its representative, such person shall make such statement only if such facts and other information which, as of the date the representation is given, are actually known to the Party making such statement, which, with respect to Persons that are corporations, means the knowledge of its executive officers, after reasonable inquiry and investigation. With respect to Transferor, the list of such persons, is set forth above under the definition of "Transferor's knowledge." With respect to Transferee, the list of such persons, is set forth above under the definition of "Transferee's knowledge."

12.17 Specific Performance.

The Parties recognize that irreparable injury will result from a material breach of this Agreement and that money damages may be inadequate to remedy the injury. Accordingly, in the event of a material breach of one or more provisions of this Agreement, any Party to this Agreement injured where money damages are inadequate to remedy such injury (in addition to any other rights and remedies that may be available to such person under this Agreement, any other agreement or under any law) shall be entitled (without posting a bond or other security) to one or more preliminary or permanent orders (i) restraining and enjoining any act constituting a material breach or (ii) compelling the performance of any obligation which, if not performed, would constitute a material breach of this Agreement.

12.18 Schedules.

The information set forth in the Schedules with respect to any section of this Agreement shall also be deemed to qualify each other section of this Agreement to which such information is applicable (regardless of whether or not such other section is qualified by referenced to a Schedule). The Parties anticipate that the Schedules will not be completed until a reasonable period of time following the Effective Date of this Agreement, but not less than thirty (30) days prior to the Funding Date. At any time prior to thirty (30) days prior to the Funding Date, Transferor shall be entitled to deliver to the Transferee updates to the Schedules, provided that (i) such updates are clearly marked as such, and (ii) any changes to the Schedules are clearly identified. The delivery by Transferor of updated or substitute Schedules shall not prejudice any rights of the Transferee or any other Transferee Indemnified Party under this Agreement, including the right to claim that the representations and warranties of Transferor were or are untrue as of the applicable date. Transferee shall have the option to terminate the Agreement prior to the Funding Date in accordance with the provisions of Article 10 to the extent that the Schedules provided by Transferor are not reasonably acceptable to Transferee. Transferor shall have the option to terminate the Agreement prior to the Funding Date in accordance with the provisions of Article 10 to the extent that Schedule 1.1D, Schedule 2.4, and Schedule 7.10 are not acceptable to Transferor. Transferor shall not unreasonably withhold, condition or delay such acceptance. Except as otherwise set forth above, in the event Transferee elects not to terminate this Agreement as a result of an update to the Schedules and elects to consummate the transactions contemplated hereby, the updated or substitute Schedules shall replace, in whole or in part as the case may be, the Schedules previously delivered hereunder for all purposes.

BAPTIST HEALTHCARE SYSTEM, INC.

No. [_____]
 \$50,000,000

Date: May 23, 2018
 Maturity Date: January 1, 2044

FOR VALUE RECEIVED, the undersigned, Baptist Healthcare System, Inc. (the “**Maker**”), promises unconditionally to pay to the order of Hardin County, Kentucky or its successors or permitted assigns (the “**County**”), at such place as County may from time to time designate, the principal amount of Fifty Million and 00/100 Dollars (\$50,000,000) (the “**Principal Amount**”), together with interest on the unpaid Principal Amount outstanding from time to time at the rate or rates hereafter specified and any and all other sums which may be owing to County by Maker pursuant to this Promissory Note (this “**Note**”). The following terms shall apply to this Note:

1. Interest Rate. After the initial annual payment by January 1, 2019, interest shall accrue and be payable on the outstanding Principal Amount at a fixed rate of interest of 2.5%, compounded annually (the "Note Rate"). For the purposes of this Note, interest shall be calculated on the basis of an actual/three hundred sixty five (365) day year, as follows: multiply the Note Rate by the unpaid Principal Amount of the Note; divide such sum by 365; and then multiply such quotient by the actual number of days outstanding.

2. Payment Terms. The first payment is due on or before January 1, 2019 in the amount of Two Million and 00/100 Dollars (\$2,000,000). Beginning on January 1, 2020 and continuing on the 1st day of each consecutive calendar year thereafter through and including January 1, 2044 (the “**Maturity Date**”), the Maker shall make equal annual amortized payments equal to Two Million Six Hundred Eighty Three Thousand Eight Hundred Fifteen and 00/100 Dollars (\$2,683,815). On the Maturity Date, the entire amount of the unpaid Principal Amount as well as all accrued and unpaid interest and all other sums due under this Note that remain unpaid shall be due.

3. Repayment Extension. If any payment of principal or interest shall be due on a Saturday, Sunday, or any other day on which banking institutions in the Commonwealth of Kentucky are required or permitted to be closed, such payment shall be made on the next succeeding business day, and such extension of time shall be included in computing interest under this Note.

4. Manner and Application of Payments. All payments due hereunder shall be paid in lawful money of the United States of America which shall be legal tender in payment of all debts and dues, public and private, by wire transfer in immediately available funds, without offset, deduction or recoupment. Each payment shall be applied, first, to accrued and unpaid interest; second, to the payment of the unpaid Principal Amount; and third, to the payment of any and all costs, fees, expenses and Late Charges incurred by or payable to County in connection with the collection or enforcement of this Note; or in any other manner which County may, in its sole discretion, elect from time to time.

5. Prepayment. Maker may at any time on or after Closing prepay the entire outstanding amount of principal in whole or in part without paying any prepayment penalty. In the event of any prepayment, there will be no changes in the due date or amount of monthly payment, but such prepayments shall be applied to future payments in reverse order of maturity.

6. Enforcement. The happening of any of the following events by Borrower shall constitute an “Event of Default”:

(a) Failure to pay any amount due pursuant to this Note within ten (10) days after the Maker's receipt of written notice from the County of any failure to pay any undisputed amount due and payable hereunder;

(b) Failure to pay any undisputed amount due pursuant to this Note within thirty (30) days after the original due date of such amount;

(c) The filing of a petition under any provision of the Bankruptcy Code by or against the Maker that is not dismissed within ninety (90) calendar days thereafter, or any assignment by the Maker for the benefit of lenders, or the appointment of a receiver or trustee on behalf of the Maker; or

(d) The Maker becoming insolvent or generally unable to pay its debts as they become due, or a notice of lien, levy or assessment is filed of record with respect to any of the Maker's assets.

Upon the occurrence of any Event of Default, and following the expiration of any applicable cure period set forth in this Note, the holder hereof may declare by written notice to Maker that the entire unpaid balance on this Note immediately due and payable.

If any such waiver is determined to be contrary to any applicable law or public policy, such waiver shall be effective only to the extent permitted by law or public policy. The Maker shall not by any act or omission, or through failure or delay by the Maker to insist upon the strict performance of any term, condition, covenant, or agreement of this Note, or by the exercise of any right, power, or remedy consequent upon a breach thereof, be deemed to waive any of the Maker's rights or remedies hereunder at law or in equity, or as provided by statute, unless such waiver be in writing, signed by the Maker, and then only to the extent specifically set forth therein. Under no circumstances will the Escrow Agent be deemed to be a fiduciary to any Party or any other person under this Escrow Agreement. The Escrow Agent will not be responsible or liable for the failure of any Party to perform in accordance with this Escrow Agreement. The Escrow Agent shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document other than this Escrow Agreement, whether or not an original or a copy of such agreement has been provided to the Escrow Agent; and the Escrow Agent shall have no duty to know or inquire as to the performance or nonperformance of any provision of any such agreement, instrument, or document. References in this Escrow Agreement to any other agreement, instrument, or document are for the convenience of the Parties, and the Escrow Agent has no duties or obligations with respect thereto. This Escrow Agreement sets forth all matters pertinent to the escrow contemplated hereunder, and no additional obligations of the Escrow Agent shall be inferred or implied from the terms of this Escrow Agreement or any other agreement.

(b) Attorneys and Agents. The Escrow Agent shall be entitled to rely on and shall not be liable for any action taken or omitted to be taken by the Escrow Agent in accordance with the advice of counsel or other professionals retained or consulted by the Escrow Agent. The Escrow Agent shall be reimbursed as set forth in Section 8(h) for any and all compensation (fees, expenses and other costs) paid and/or reimbursed to such counsel and/or professionals. The Escrow Agent may perform any and all of its duties through its agents, representatives, attorneys, custodians, and/or nominees.

(c) Reliance. The Escrow Agent shall not be liable for acting or refraining from acting upon any notice, request, consent, direction, requisition, certificate, order, affidavit, letter, or other paper or document believed by it to be genuine and correct and to have been signed or sent by the proper person or persons, without further inquiry into the person's or persons' authority. Concurrent with the execution of

this Escrow Agreement, the Parties shall deliver to the Escrow Agent authorized signers' forms attached to Exhibit A-1 and Exhibit A-2, which contain Authorized Signer designations in Part I thereof.

(d) Right Not Duty Undertaken. The permissive rights of the Escrow Agent to do things enumerated in this Escrow Agreement shall not be construed as duties.

(e) No Financial Obligation. No provision of this Escrow Agreement shall require the Escrow Agent to risk or advance its own funds or otherwise incur any financial liability or potential financial liability in the performance of its duties or the exercise of its rights under this Escrow Agreement.

(f) Indemnification. The Parties, jointly and severally, shall indemnify, defend and hold harmless the Escrow Agent from and against any and all loss, liability, cost, damage and expense, including, without limitation, attorneys' fees and expenses or other professional fees and expenses which the Escrow Agent may suffer or incur by reason of any action, claim or proceeding brought against the Escrow Agent, arising out of or relating in any way to this Escrow Agreement or any transaction to which this Escrow Agreement relates, unless such loss, liability, cost, damage or expense shall have been finally adjudicated to have been directly caused by (i) the willful misconduct or gross negligence of the Escrow Agent or (ii) a material breach of the obligations of the Escrow Agent hereunder. The provisions of this subsection (f) shall survive the resignation or removal of the Escrow Agent and the termination of this Escrow Agreement.

(g) Limitation of Liability. THE ESCROW AGENT SHALL NOT BE LIABLE, DIRECTLY OR INDIRECTLY, FOR ANY (I) DAMAGES, LOSSES OR EXPENSES ARISING OUT OF THE SERVICES PROVIDED HEREUNDER, OTHER THAN DAMAGES, LOSSES OR EXPENSES WHICH HAVE BEEN FINALLY ADJUDICATED TO HAVE DIRECTLY RESULTED FROM THE ESCROW AGENT'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OR A MATERIAL BREACH OF THE OBLIGATIONS OF THE ESCROW AGENT HEREUNDER, OR (II) SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES OR LOSSES OF ANY KIND WHATSOEVER (INCLUDING WITHOUT LIMITATION LOST PROFITS), EVEN IF THE ESCROW AGENT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSSES OR DAMAGES AND REGARDLESS OF THE FORM OF ACTION.

(h) Compensation. The Escrow Agent shall be entitled to compensation for its services as stated in the fee schedule attached hereto as Exhibit C, which compensation shall be paid one-half by Transferee and one-half by Transferor. The fee agreed upon for the services rendered hereunder is intended as full compensation for the Escrow Agent's services as contemplated by this Escrow Agreement; *provided, however,* that in the event that the conditions for the disbursement of funds under this Escrow Agreement are not fulfilled, or the Escrow Agent renders any service not contemplated in this Escrow Agreement, or there is any assignment of interest in the subject matter of this Escrow Agreement, or any material modification hereof, or if any material controversy arises hereunder, or the Escrow Agent is made a party to any litigation pertaining to this Escrow Agreement or the subject matter hereof, then the Escrow Agent shall be compensated for such extraordinary services and reimbursed for all costs and expenses, including reasonable attorneys' fees and expenses, occasioned by any such delay, controversy, litigation or event. If any amount due to the Escrow Agent hereunder is not paid within thirty (30) days of the date due, the Escrow Agent in its sole discretion may charge interest on such amount up to the highest rate permitted by applicable law. The Escrow Agent shall have, and is hereby granted, a prior lien upon the Escrow Accounts with respect to its unpaid fees, non-reimbursed expenses and unsatisfied indemnification rights, superior to the interests of any other persons or entities and is hereby granted the right to set off and deduct any unpaid fees, non-reimbursed expenses and unsatisfied indemnification rights from the Escrow Accounts.

(i) Merger or Consolidation. Any corporation or association into which the Escrow Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer all

or substantially all of its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which the Escrow Agent is a party, shall be and become the successor escrow agent under this Escrow Agreement and shall have and succeed to the rights, powers, duties, immunities and privileges as its predecessor, without the execution or filing of any instrument or paper or the performance of any further act.

(j) Attachment of Escrow Accounts; Compliance with Legal Orders. In the event that any Escrow Accounts shall be attached, garnished or levied upon by any court order, or the delivery thereof shall be stayed or enjoined by an order of a court, or any order, judgment or decree shall be made or entered by any court order affecting the Escrow Accounts, the Escrow Agent is hereby expressly authorized, in its sole discretion, to respond as it deems appropriate or to comply with all writs, orders or decrees so entered or issued, or which it is advised by legal counsel of its own choosing is binding upon it, whether with or without jurisdiction. In the event that the Escrow Agent obeys or complies with any such writ, order or decree it shall not be liable to any of the Parties or to any other person, firm or corporation, should, by reason of such compliance notwithstanding, such writ, order or decree be subsequently reversed, modified, annulled, set aside or vacated.

(k) Force Majeure. The Escrow Agent shall not be responsible or liable for any failure or delay in the performance of its obligations under this Escrow Agreement arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; wars; acts of terrorism; civil or military disturbances; sabotage; epidemic; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications services; accidents; labor disputes; acts of civil or military authority or governmental action; it being understood that the Escrow Agent shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.

9. Escheat. The Parties are aware that under applicable state law, property which is presumed abandoned may under certain circumstances escheat to the applicable state. The Escrow Agent shall have no liability to the Parties, their respective heirs, legal representatives, successors and assigns, or any other party, should any or all of the Escrow Accounts escheat by operation of law.

10. Choice of Law / Consent to Jurisdiction. To the extent permitted by applicable law, the parties agree that this Escrow Agreement shall be construed and interpreted in accordance with the laws of the Commonwealth of Kentucky without giving effect to any choice or conflict of law provision or rule thereof. The Parties hereby waive any right to a trial by jury with respect to any lawsuit or judicial proceeding arising or relating to this Escrow Agreement.

11. Assignment. No Party may assign any of its rights or obligations under this Escrow Agreement without the prior written consent of the other Party and the Escrow Agent (such consent not to be unreasonably withheld); *provided, however*, that (a) Transferee shall have the right to assign any of its rights under this Escrow Agreement to any of its Affiliates or to any Transferee of a material portion of its assets, and (b) Transferee may assign its rights hereunder for collateral security purposes to any lender or lenders (including any agent for any such lender or lenders) providing financing to Transferee or its Affiliates or to any assignee or assignees of any such lender, lenders or agent. It is agreed and understood by the parties hereto that prior to the Escrow Agent acknowledging the assignment and being obligated to honor any written instruction from any such assignee or assignees, each assignee or assignees shall have first executed a written agreement which binds them as a full party to this Escrow Agreement, in a form reasonably satisfactory to the Escrow Agent, with such assignee or assignees agreeing to be bound by the terms, conditions and obligations of this Escrow Agreement to the same extent as Transferee or Transferor,

as applicable, and any assignee or assignees must provide such Patriot Act information reasonably requested by the Escrow Agent and the Escrow Agent must be satisfied with all the required Patriot Act information received from or related to such assignee or assignees.

Prior to the date hereof, the Parties shall provide the Escrow Agent with certified tax identification numbers by furnishing appropriate forms W-9 or W-8 and such other forms and documents that the Escrow Agent may request. The Parties understand that if such tax reporting documentation is not provided and certified to the Escrow Agent, the Escrow Agent may be required by the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, to withhold a portion of any interest or other income earned on the investment of the Escrow Accounts. Transferee certifies that the names, titles, telephone numbers, e-mail addresses and specimen signatures set forth in Parts I and II of this Exhibit A-1 identify the persons authorized to provide direction and initiate or confirm transactions, including funds transfer instructions, on behalf of Transferee, and that the option checked in Part III of this Exhibit A-1 is the security procedure selected by Transferee for use in verifying that a funds transfer instruction received by the Escrow Agent is that of Transferee.

Transferee has reviewed each of the security procedures and has determined that the option checked in Part III of this Exhibit A-1 best meets its requirements; given the size, type and frequency of the instructions it will issue to the Escrow Agent. By selecting the security procedure specified in Part III of this Exhibit A-1, Transferee acknowledges that it has elected to not use the other security procedures described and agrees to be bound by any funds transfer instruction, whether or not authorized, issued in its name and accepted by the Escrow Agent in compliance with the particular security procedure chosen by Transferee.

NOTICE: The security procedure selected by Transferee will not be used to detect errors in the funds transfer instructions given by Transferee. If a funds transfer instruction describes the beneficiary of the payment inconsistently by name and account number, payment may be made on the basis of the account number even if it identifies a person different from the named beneficiary. If a funds transfer instruction describes a participating financial institution inconsistently by name and identification number, the identification number may be relied upon as the proper identification of the financial institution. Therefore, it is important that Transferee take such steps as it deems prudent to ensure that there are no such inconsistencies in the funds transfer instructions it sends to the Escrow Agent.
