- List of officers to receive body armor.
- Authorizing Resolution
- 3 quotes for each requested item

LEPP Grant Award Process

Due to the large volume of applicants and the uncertainty of funding received by the confiscated weapons auction, many months may transpire before LEPP grant projects are awarded. KOHS prioritizes funding according to need and/or receipt of applications and funds grants based upon the law's priority: 1) body armor, 2) service weapons/ammunition, 3) electronic-control devices, and 4) body cameras.

Submission of an application for Law Enforcement Protection Program grant funding does not guarantee a grant award. Law Enforcement Protection Program grant award recipients are notified by the Kentucky Office of Homeland Security in writing when a Law Enforcement Protection Program grant has been awarded.

APPLICATIONS THAT DO NOT HAVE ALL REQUIRED DOCUMENTATION ATTACHED TO APPLICATION WILL NOT BE CONSIDERED FOR FUNDING.

Certification & Authorization

I understand that submission of this application **does not** guarantee funding of the requested project. If the requested project is funded, the Kentucky Office of Homeland Security will notify each agency of LEPP grant award in writing with specific grant requirements such as amount funded, items qualified for grant funds, dates, and terms of grant contract.

Please note:

- Any items purchased outside of the LEPP grant contract dates or terms and conditions **do not** qualify for reimbursement.
- Any items not specified in the Law Enforcement Protection Program agreement will not be reimbursed.
- Pre-purchased items cannot be reimbursed.

I am aware of the requirements of KRS16.200 that directs all law enforcement agencies in Kentucky to deliver all firearms and ammunition confiscated by or abandoned by said agency to the Kentucky State Police. I hereby certify that my agency is in compliance with this statute.

The information in the application is true and correct and all required documentation is attached to application.

I am aware that the proposed project may be removed from further consideration should it be determined that there are significant discrepancies in the information provided, and/or false, inaccurate or incomplete information has been given.
