SUBAWARD AGREEMENT

This Subaward Agreement is entered on this 27 day of September 2022 (“Effective Date”) by and between County of Hardin (“the Grantee”) and the Hardin County Water District No. 1 (“Subrecipient”) (collectively, “the Parties”).

RECITALS

WHEREAS, the Grantee is the recipient of aid from the Treasury through the Coronavirus State and Local Fiscal Recovery Funds program (“SLFRF”), one of the programs established by the American Rescue Plan Act of 2021 (“ARPA”), for, among other goals, permitting recipients to pursue drinking water and wastewater infrastructure projects;

WHEREAS, Grantee received the SLFRF funds in May 2021, identified as Federal Award Assistance Listing Number 21.027.

WHEREAS, Grantee wishes to engage Subrecipient to assist Grantee in utilizing such funds to carry out a part of Grantee’s Federal award on behalf of the Grantee by committing a portion of the award, pursuant to this Subaward Agreement (“this Agreement”); and

WHEREAS, the federal funds made available for use by Subrecipient under this Agreement constitute a subaward of Grantee’s federal award, the use of which must be in accordance with requirements imposed by federal statutes, regulations, and the terms and conditions of Grantee’s federal award; and

WHEREAS, Subrecipient has legal authority to enter this Agreement, and the Subrecipient’s governing body has duly authorized Subrecipient to enter into this Agreement with Grantee, and by signing this Agreement, to assure Grantee that it will comply with all the requirements of the subaward described herein; and

NOW, THEREFORE, in consideration of the need for recovery from the COVID-19 pandemic and the premises and mutual covenants described herein, the Parties mutually agree to the terms described in this Agreement.

1. Definitions

1.1 “Closeout” is process that is triggered when the federal awarding agency or Grantee determines that all applicable administrative actions and all required work of the federal award have been completed by non-Federal entities, which includes Grantee and subrecipients. Subrecipient’s obligations under this Agreement shall not end until all close-out requirements are completed. Activities in closeout may include, but are not limited to: making final payments, disposing of program assets (including return of unused materials), equipment, unspent cash advances, program income balances, and accounts receivable to the Grantee and determining custodianship of records.

1.2 “Subaward” means an award provided by a non-federal entity to a subrecipient to carry out part of a federal award received by the non-federal entity. Under this Agreement, the

non-federal entity is the Grantee, the Subrecipient is the subrecipient, and the federal award is the Grantee's award received under the State and Local Fiscal Recovery Fund, ALN 21.027.

2. Allocation and Use of Funds

2.1 Subaward amount. The total amount of funds awarded to Subrecipient under this Agreement is: a sum not to exceed **One Million Dollars (\$1,000,000)** ("Subaward Amount").

2.2 Disbursement of Funds. The Subrecipient shall invoice the Grantee monthly for the reimbursement of actual expenditures incurred on the Project. Subrecipient's invoices shall be only for eligible expenses as defined herein and in 2 CFR Part 200. As applicable, Subrecipient's invoices must include copies of employee timesheets, payroll reports, invoices, receipts, documentation of payroll taxes and fringe benefits, and copies of competitive quotations or proposals for all expenses included in an invoice. Failure to submit one of the foregoing invoices may result in termination of this Agreement and reallocation of unspent Subaward Amount funds at the Grantee's sole discretion.

2.4 Accounting and Allowable Costs. The Subrecipient shall expend and account for all funds received under this Agreement in accordance with 2 CFR part 200, including 2 CFR part 200, subpart D, which covers Standards for Financial and Program Management and agrees to adhere to the accounting principles and procedures required therein, use adequate internal controls, and maintain necessary source documentation for all costs incurred. Costs incurred, whether charged on a direct or an indirect basis, must be in conformance with 2 CFR part 200, subpart E. If Subrecipient has a current, approved, federally negotiated indirect cost rate, Subrecipient shall use that rate in charging indirect costs, if any, to the Project or Subaward Amount. If Subrecipient has never had an approved, federally-negotiated indirect cost rate, and it does not receive more than thirty-five million dollars (\$35,000,000) in direct federal funding as described in paragraph D.1.b of Appendix VII to 2 CFR Part 200, it may use the *de minimis* ten percent (10%) of modified total direct costs rate described at 2 CFR 200.68. Otherwise, Subrecipient shall not charge indirect costs to the Project or Subaward Amount.

2.5 No Duplication of Benefits. Subrecipient agrees that the funds provided under this Agreement are intended to supplement, not supplant any other form of federal assistance. Subrecipient agrees that it shall develop and maintain adequate procedures to prevent a duplication of benefits to assess whether the funds received under this Agreement duplicate any other federal benefit. Subrecipient agrees that it shall develop and maintain adequate procedures to ensure that all assistance the Subrecipient provides using funding under this Agreement shall not exceed any person's total need. The Subrecipient further agrees that it shall maintain records showing how the Subrecipient prevented Duplication of Benefits, as defined by Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. § 5155) and in accordance with Section 1210 of the Disaster Recovery Reform Act of 2018 (division D of Public Law 115-254; 132 Stat. 3442), which amended section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. § 5155). If the Subrecipient at any time uses funds provided under this Agreement in any manner that results in a duplication of any other federal benefit, it shall repay to the Grantee an amount equal to the amount of funds it received under this Agreement that were used in duplication of any other federal benefit.

The parties acknowledge Subrecipient intends to fund part of the Project with USDA Rural Development funds. In the event combining Rural Development funds with the Grantee's SLFRF Funds is prohibited, Subrecipient agrees the Grantee shall have no further funding obligations hereunder.

3. Project

Subrecipient will be responsible for performing the activities detailed in Exhibit A ("the Project"), which may be amended from time to time upon mutual agreement of the Parties, and is hereby incorporated by reference ("Subrecipient Project Description").

The Subrecipient shall competitively procure all goods and services contemplated by the Project through a procurement method selected and conducted in accordance with both Kentucky law and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 CFR 200 Subpart D. Upon selection of a qualified and responsible contractor to complete the Project through the competitive procurement process (a "Contractor"), the Subrecipient and Contractor shall enter into an agreement for construction of the Project in a form compliant with both Kentucky law and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 CFR 200 Subpart D. The Subrecipient shall impose the Subrecipient's obligations under this Agreement on all Contractors, specifically or by reference, so that such obligations will be binding upon each of Subrecipient's Contractors. Grantee shall have the right, but not the obligation, to review and approve or reject the terms of the any contract between Subrecipient and its Contractors. Notwithstanding the foregoing, Grantee's approval of such a contract, if given, shall not constitute Grantee's acknowledgement of Subrecipient's compliance with applicable law or its obligations under this Agreement, nor shall it waive any of Grantee's rights hereunder.

Subrecipient shall cause the Project to be completed in a good, safe, and workmanlike manner and in accordance with all applicable codes, ordinances, laws, and regulations. Subrecipient shall take necessary action to protect the life, health, safety, and property of all personnel on the job site, members of the public, and personnel. Subrecipient shall ensure the Project is completed free from all liens and encumbrances, including but not limited to mechanic's and materialmen's liens and claims. This Agreement will not be construed to make the Grantee liable to materialmen, contractors, craftsmen, laborers or others for goods and services delivered by them to or upon the property on which the Project is constructed, or for debts or claims accruing to said parties against the Subrecipient. There are no contractual relationships, either express or implied, between the Grantee and any materialman, contractors, craftsmen, laborers or any other persons supplying work, labor or materials on the job, nor will any third person or persons, individual or corporate, be deemed to be beneficiaries of this Agreement or any term, condition or provisions hereof or on account of any actions taken or omitted by the Grantee pursuant hereto.

4. Period of Performance and Term

Time is of the essence in the performance of this Agreement. The period of performance for Subrecipient, meaning the time during which the Subrecipient may incur new obligations to carry out the Project under this Agreement, shall start on the 1st day of March, 2021 and end on

the 31st day of December, 2024 ("Time for Performance"). This Agreement and its terms and conditions shall remain in effect during any period the Subrecipient has control over SLFRF funds provided through this Agreement. Subrecipient shall spend the entire amount of funds awarded under this Agreement during the Time for Performance set forth herein. Unless this Agreement is earlier terminated, Subrecipient agrees to return any amount of funds provided to Subrecipient, but not spent, during the Period of Performance to Grantee within thirty (30) days of the expiration of the Period for Performance.

5. Scope of the Project

- 5.1 Eligible Use of Funds. As a condition of receiving this subaward, the Subrecipient shall administer the ARPA, which includes performing the activities necessary to carry out the Project. The Subrecipient shall complete the Project in a manner satisfactory to the Grantee and consistent with the terms and conditions of this Agreement and applicable federal statutes and regulations.
- 5.2 Prohibited Uses. The Subrecipient may only use the subaward to carry out the Project. Subrecipient is prohibited from charging to the subaward the costs of ineligible uses under ARPA and the implementing SLFRF regulations, including but not limited to unallowable costs under 2 CFR Part 200 and activities Grantee deems political, inherently religious, or lobbying.

6. Budget

Subrecipient shall complete the Project, as described in Exhibit A, in accordance with the Budget outlined therein. Upon request, Subrecipient shall supply Grantee with a detailed breakdown of the Project Budget, as well as report on expenditures and balances in the Budget in Subrecipient's quarterly progress and financial reports, and upon submission of the Contractor's payment applications or invoices for Grantee review.

7. Debarment/Suspension

As a condition to this Agreement, Subrecipient represents and warrants that it is not currently excluded, debarred, suspended, or disqualified from participating in covered transactions, as that term is defined in 2 CFR 180.020, or transactions covered under the Federal Acquisition Regulation in 48 CFR Chapter 1. Subrecipient acknowledges and agrees that, as a recipient of the Subaward, Subrecipient is subject to 2 CFR Part 180 and the Treasury's implementing regulation at 31 CFR Part 19.

- 8.2 Payment Application Submissions. Subrecipient shall submit to Grantee each payment approval or invoice submitted by the Contractor. Grantee shall have the right, but not the obligation, to review and approve or reject all Contractor payment applications or invoices. In the event Grantee rejects a Contractor payment application or invoice, Grantee shall provide Subrecipient the reasons for the rejection, and Subrecipient shall be responsible for taking all steps necessary to cure the issues with the payment applications or invoices noted by Grantee. Grantee's approval of a payment application or invoice, if any, shall not constitute an acknowledgment that Subrecipient has complied with applicable law or the requirements of this Agreement, nor shall it waive any of Grantee's rights hereunder.

Subrecipient agrees to comply with any further reporting obligations established by the United States Department of Treasury, including the Treasury Office of Inspector General, as it relates to the Subaward or this Agreement, including but not limited to: (i) reporting of information to be used by the Grantee and/or Treasury to comply with its public reporting obligations under ARPA; (ii) any reporting of information to be used by the Grantee and/or Treasury to comply with its public reporting obligations under Section 501 of the Consolidated Appropriations Act of 2021 (hereinafter "Section 501"); and (iii) any reporting to Treasury and the Pandemic Response Accountability Committee that may be required pursuant to Section 15011(b)(2) of Division B of the Coronavirus Aid, Relief, and Economic Security Act (Pub. L. No. 116-136), as amended by Section 801 of Division O of the Consolidated Appropriations Act, 2021 (Pub. L. No. 116-260). Subrecipient acknowledges that any such information required to be reported pursuant to this section may be publicly disclosed.

9. Compliance with the Law

The Subrecipient understands that it is responsible for reviewing all applicable federal laws and regulations, as well as any guidance issued by any federal agency, and agrees that it shall comply with the requirements of ARPA, Treasury interpretive guidance, and all other applicable federal statutes, regulations, and executive orders. Subrecipient shall also provide for such compliance in any agreements it enters with other parties relating to this subaward. Other Federal regulations applicable to this subaward may include, without limitation, the following:

- a) Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 CFR Part 200, other than such provisions as Treasury may determine are inapplicable to this subaward and subject to such exceptions as may be otherwise

provided by Treasury. Subpart F – Audit Requirements of the Uniform Guidance, implementing the Single Audit Act, shall apply to this award.

10. Recordkeeping

Subrecipient shall establish and maintain records sufficient to enable Grantee to (1) determine whether the Subrecipient has complied with this Agreement, applicable federal statutes and regulations, and the terms and conditions of Grantee's award and (2) satisfy recordkeeping requirements. At a minimum, this includes documentation supporting determinations of costs, accounting records, and records demonstrating compliance with the SLFRF regulations, ARPA, the terms and conditions of Grantee's award, and other applicable regulatory and statutory requirements. Subrecipient shall also maintain records showing how the Subrecipient prevented Duplication of Benefits, as defined by Section 312 of the Robert T. 11. Audits, Inspections, and Monitoring

To the extent applicable, Subrecipient must be audited pursuant to the Single Audit Act and its implementing regulations at 2 CFR Part 200, Subpart F. If Subrecipient has a Single Audit performed, Subrecipient shall submit a copy of the audit report to Grantee. Any deficiencies noted in audit reports must be fully cleared by the Subrecipient within thirty (30) days after receipt of the report by the Subrecipient. Failure of the Subrecipient to comply with these audit requirements will constitute a material breach of this Agreement and may result in the Grantee withholding future payments.

In addition, and even if a Single Audit of Subrecipient is not required by applicable law, Subrecipient shall permit Grantee and auditors to have access to Subrecipient's records and financial statements as necessary for Grantee to meet the requirements of 2 CFR Part 200. Subrecipient must submit to monitoring of its activities by Grantee as Grantee deems necessary to ensure the subaward is used for authorized purposes, in compliance with federal statutes, regulations, and the terms and conditions of this agreement. This review must include: (1) reviewing financial and performance reports required by Grantee and (2) following-up and ensuring Subrecipient takes timely and appropriate action on all deficiencies, if any, pertaining to the Federal award provided to Subrecipient from Grantee detected through on-site reviews and other means.

Grantee may designate such persons as may be necessary to monitor and evaluate the services rendered by the Subrecipient. The Grantee, its agents and employees, shall, at all times, have unrestricted access to all places where or in which the services required hereunder are being carried on and conducted. Inspection and monitoring of the work by these authorities shall in no manner be presumed to relieve in any degree the responsibility or obligations of Subrecipient, or to constitute Subrecipient an agent of the Grantee.

12. Lobbying Certification

Subrecipient hereby certifies that: (i) no Federal funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any

Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement; (ii) if any funds other than Federal funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will immediately complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and (iii) this certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. In the event of Grantee's termination for convenience, the Subrecipient shall be entitled to receive payment for work and services properly executed prior to the date of termination, and actual costs incurred by reason of such termination.

14.2 Termination for Cause. In addition, Grantee may terminate this Agreement in whole or in part upon ten (10) days' written notice in the event Subrecipient fails to comply with any term, condition, requirement, or provision of this Agreement. Failure to comply with any terms of this Agreement, includes but is not limited to the following:

- (a) Failure to comply with ARPA, the SLFRF regulations, or any other rules, regulations, statutes, Treasury guidelines, policies, or directives as may become applicable at any time;

- (c) Ineffective or improper use of funds provided under this Agreement; or

- (d) Submission by Subrecipient to Grantee reports that are inaccurate, incomplete, or falsified in any material respect.

Upon Grantee's termination for cause, Subrecipient shall immediately return the remainder of the Subaward Amount to Grantee, and Grantee shall have the right, but not the obligation, to complete the Project. If the cost to finish the Project, or the portion of the Project for which the Subaward Amount was granted, including compensation for any damages, costs, or expenses Grantee incurs due to Subrecipient's default and/or the termination, exceeds the balance of the Subaward Amount returned to Grantee, the Subrecipient shall pay the difference to the Grantee.

14.3 If, after Subrecipient has been terminated pursuant to Section 14.2 herein, it is determined that none of the circumstances set forth in Section 14.2 exist, then such termination shall be deemed a termination for convenience pursuant to Section 14.1.

14.4 Mutual Termination. Under 2 CFR § 200.340, this Agreement may be terminated at any time and for any or no reason upon the consent of both parties, provided the parties agree on the termination conditions, including the effective date, and, in the case of partial termination, the portion to be terminated.

15. Publications

Any publications produced, whether in whole or in part, with funds from the Subaward must display, in a conspicuous manner, the following language: "This project [is being] [was] supported, in whole or in part, by federal award number [enter project FAIN] awarded to [name of Recipient] by the U.S. Department of the Treasury."

16. Return of Unexpended Funds

Subaward funds may be used to fulfill eligible obligations incurred during the period that begins on March 3, 2021, and ends on December 31, 2024, as long as the funds for obligations incurred by December 31, 2024 are expended by December 31, 2026. Any funds not expended within the foregoing timelines must be immediately returned to Grantee to enable Grantee to return the funds to the Treasury.

17. Record Retention and Transmission of Records to Grantee

Prior to closeout of this Agreement, Subrecipient must transmit to Grantee records sufficient for Grantee to demonstrate all costs under this Agreement met the requirements of the federal award.

18. Protected Personally Identifiable Information and Other Sensitive Information

Subrecipient is required to maintain data demonstrating client eligibility for activities provided under this Agreement. Such data may include, but not be limited to, client name, address, income level, or other basis for determining eligibility, and description of activities provided. Pursuant to 2 CFR § 200.303, Subrecipient must take reasonable measures to safeguard protected personally identifiable information, as defined in 2 CFR § 200.1, and other information Grantee designates as sensitive or Subrecipient considers sensitive consistent with

applicable Federal, state, local, and tribal laws regarding privacy and responsibility over confidentiality.

19. Non-Discrimination

As a recipient of Federal funds, Subrecipient must comply with the requirements of Title VI of the Civil Rights Act of 1964, as amended, and all other applicable Federal and state laws and regulations including, but not limited to, the Fair Housing Act, Title VIII of the Civil Rights Act of 1968; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act at 1975 and the Treasury's implementing regulations at 31 CFR Part 23; and Title II of the Americans with Disabilities Act of 1990. Such requirements include not denying benefits or services, or otherwise discriminating, on the basis of race, color, national origin, disability, age, or sex and include, but are not limited to, the following.

Assurances of Compliance with Title VI. As a condition of receipt of this federal financial assistance from the Department of the Treasury, the Subrecipient provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to the Subrecipient's beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits. The assurances apply to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Subrecipient may request in the future. The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the operations of the Subrecipient's program(s) and activity(ies), so long as any portion of the Subrecipient's program(s) or activity(ies) is federally assisted in the manner prescribed above.

- a. Subrecipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
- b. Subrecipient acknowledges that Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency," seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Subrecipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury's implementing regulations. Accordingly, Subrecipient shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities.

Subrecipient understands and agrees that meaningful access may entail providing free language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Subrecipient's programs, services, and activities.

- c. Subrecipient agrees to consider the need for language services for LEP persons when Recipient develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>.
- d. Subrecipient acknowledges and agrees that compliance with the assurances constitutes a condition of continued receipt of federal financial assistance and is binding upon Subrecipient and Subrecipient's successors, transferees, and assignees for the period in which such assistance is provided.
- e. Subrecipient acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between the Subrecipient and the Subrecipient's sub-grantees, contractors, subcontractors, successors, transferees, and assignees: *The sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement). Title VI also includes protection to persons with "Limited English Proficiency" in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.*
- f. Subrecipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Subrecipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Subrecipient for the period during which it retains ownership or possession of the property.
- g. Subrecipient shall cooperate in any enforcement or compliance review activities by the Department of the Treasury of the aforementioned obligations.

Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of any settlement agreements that may result from these actions. The Subrecipient shall comply with information requests, on-site compliance reviews and reporting requirements.

- h. Subrecipient shall maintain a complaint log and inform the Department of the Treasury of any complaints of discrimination on the grounds of race, color, or national origin, and limited English proficiency covered by Title VI of the Civil Rights Act of 1964 and implementing regulations and provide, upon request, a list of all such reviews or proceedings based on the complaint, pending or completed, including outcome. Subrecipient also must inform the Department of the Treasury if Subrecipient has received no complaints under Title VI.
- i. Subrecipient must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other agreements between the Subrecipient and the administrative agency that made the finding. If the Subrecipient settles a case or matter alleging such discrimination, the Subrecipient must provide documentation of the settlement. If Subrecipient has not been the subject of any court or administrative agency finding of discrimination, please so state.
- j. If the Subrecipient makes sub-awards to other agencies or other entities, the Subrecipient is responsible for ensuring that sub-recipients also comply with Title VI and other applicable authorities covered in this document State agencies that make sub-awards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of sub-recipients.
- k. The Subrecipient understands and agrees that the United States of America has the right to seek judicial enforcement of the terms of this assurances document and nothing in this document alters or limits the federal enforcement measures that the United States may take in order to address violations of this document or applicable federal law.
- l.
