Hardin County Fiscal Court received five (5) bids for the Six (6) New Never Titled Tandem Axle Dump Trucks. TLG Peterbilt of Louisville is the best evaluated bid having few exceptions to the bid specs. It is the recommendation to award Bid Number 2021-009 to TLG Peterbilt of Louisville for the Six (6) New Never Titled Tandem Axle Dump Trucks in the amount of \$144,055.00 each, as these dump trucks are the best choice for the Road Department's needs. After reviewing the five (5) submitted bids for the Six (6) New Never Titled Tandem Axle Dump Trucks, we are recommending the Peterbilt 348. We have personally reviewed each product thoroughly, reviewing all the specifications, visiting with the body manufactures and snow equipment installers. It meets all the required specifications in the bid, with the few exceptions of a Cummins L9 8.9L diesel engine instead of spec Detroit Diesel DD8 7.7L. They have a 5-inch longer wheel base than the bid spec, along with a different vendor for the interior corrosion protection. The trucks will have a full warranty for 3 years or 100,000 miles. The Peterbilt dealer is located just across the river in Jeffersonville, IN and able to provide easy sales, service, and tech support. The quality of craftsmanship and attention to detail surpasses other competitors bid models, offering standard features of with both luxury and functionality. Peterbilt, in conjunction with Logan Corporation, has put together a quality Tandem Axle Dump Truck equipped with state-of-the-art snow fighting equipment. Logan Corporation is located in Salyersville, KY and has been in business since 1904. Their knowledge and craftsmanship is second to none.
