LEPP Grant Award Process

Due to the large volume of applicants and the uncertainty of funding received by the confiscated weapons auction, many months may transpire before LEPP grant projects are awarded. KOHS prioritizes funding according to need and/or receipt of applications and funds grants based upon the law's priority: 1) body armor, 2) service weapons/ammunition, 3) electronic-control devices, and 4) body cameras.

Submission of an application for Law Enforcement Protection Program grant funding does not guarantee a grant award. Law Enforcement Protection Program grant award recipients are notified by the Kentucky Office of Homeland Security in writing when a Law Enforcement Protection Program grant has been awarded.

APPLICATIONS THAT DO NOT HAVE ALL REQUIRED DOCUMENTATION ATTACHED TO APPLICATION WILL NOT BE CONSIDERED FOR FUNDING.
