Hardin County Clerk

hey, it's Ethan. just want to say thank you for the opportunity you gave me to work at the road dept. im sorry, but I don't think it's exactly what I'm comfortable with and looking for. I have had another job opportunity come up and I have been waiting a long time for something that could eventually help me with my own personal start up of services like I was trying to do before I started working for you all. Sorry it's late notice but I don't want to waste my time especially since I'm only on probation. So thank you again I really do appreciate it but I start my new job Wednesday and I have a lot of personal work to catch up on so I am leaving the road dept.
